INTRODUCTION
SCHOOL PROFILE

Opportunity Youth Academy (OYA) is a county-wide benefit charter designed to address the needs of high school dropouts in Santa Clara County. OYA serves students from ages 16 through 24 who have been disengaged from school and seek to return to a school setting to complete their high school diploma. OYA re-engages students through an innovative curriculum that integrates technology with academics and workforce preparation in a blended learning environment.

Referred to as Opportunity Youth, our students are typically over-age and under-credited, and our students share a common background of struggling in traditional schools and failing to keep up with their intended graduating cohort. Opportunity Youth are also defined as disengaged from the workforce, and all interested students enrolled in Opportunity Youth Academy receive workforce training, certification and job placement through our partnership with local workforce education providers.

OYA schools are designed as small, individualized, and relevant to today’s workforce needs. OYA schools run year-round, and students may enroll at any time. Students attend OYA sites between one and 20 hours a week for individualized attention and differentiated instruction in addition to completing up to 20 hours a week of independent work via online curriculum.

School Crime Status and Reporting

Safe/Orderly School Environment

Opportunity Youth Academy classrooms are single classroom learning labs, an open space with desktop computer stations, group work tables and independent study areas. Students sign in and out of the classroom, and are expected to adhere to the school’s behavior expectations and rules. Many OYA classrooms are located within larger facilities owned and operated by outside (non-SCCOE) entities that provide space to Opportunity Youth Academy and may have additional site rules and security protocols.

Opportunity Youth Academy School Staff are committed to the safety of the classroom environment. All staff are assigned to supervise students upon entrance, breaks, and exit from the classroom. An administrator or Teacher in Charge is involved in all major student discipline issues.
Suspensions and Expulsions

Opportunity Youth Academy (OYA) has developed and maintains a comprehensive set of student discipline policies aligned with the Santa Clara County Office of Education (SCCOE) Board Policy 5114. These policies clearly describe the OYA’s expectations regarding, among other things, attendance, mutual respect, substance abuse, violence, safety, and work habits.

No student shall be involuntarily removed by OYA for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action. The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder, and shall inform him or her of the right to initiate the procedures specified in this policy for expulsions, before the effective date of the action. If the student’s parent, guardian, or educational rights holder initiates the procedures specified in this policy for expulsions, the student shall remain enrolled and shall not be removed until OYA issues a final decision. As used in this paragraph, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

Notwithstanding the legally required notice in the preceding paragraph, compliance with the procedures for expulsion set forth in this Charter shall be the only processes for OYA to involuntarily dismiss, remove, or otherwise exclude a student who attends OYA from further attendance at OYA for any reason, including but not limited to, disciplinary, attendance, and academic causes.

Students expelled from any school for the offenses listed in Education Code Section 48915(a) or 48915(c) shall not be permitted to enroll in OYA during the period of their expulsion.

Each parent/guardian of high school-aged OYA students, will be required annually to verify that they have reviewed the policies with their student/s and that they understand the policies. Each adult student will also be required annually to verify that they have reviewed and understand the policies.

The procedures by which a student can be suspended or expelled from OYA for disciplinary reasons or otherwise involuntarily removed from OYA for any reason, include an explanation of how OYA will comply with federal and state constitutional procedural and substantive due process requirements that is consistent with the requirements of Education Code section
47605.6(b)(5)(J), quoted above.

Furthermore, in accordance with California Education Code 48900, an OYA student shall not be expelled for any of the acts specified in Education Code Section 48900 subdivision (k) – having disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrator, school officials, or other personnel engaged in the performance of their duties.

OYA acknowledges that substantive revisions to its student suspension and expulsion procedures, other than as necessary to maintain them as consistent with the suspension and expulsion procedures applicable to students who attend non-charter California public schools set forth in Education Code section 48900 et seq., shall constitute a material revision to the OYA Charter.

Students in need of behavioral intervention receive support from site navigators and teachers, and student behavior contracts may be created when necessary to outline expected behaviors conducive to student success.

PHYSICAL ENVIRONMENT

The Schools’ Location and Physical Environment

Opportunity Youth Academy has six classroom sites located throughout Santa Clara County. Four sites are classroom spaces within larger facilities, where students first enter the larger facility to access the OYA classroom. Two classroom sites are street-level spaces with doors that lead directly to the outside.

Description of School Grounds and Maintenance of School Buildings/Classrooms

Grounds and Maintenance at all sites is the responsibility of the non-SCCOE landlord, including mandated health and fire department expectations. OYA staff periodically examine the site’s physical facility to help eliminate or report to the landlord any obstacles to student safety.

OYA classrooms are monitored for safety and appearance by the administration and staff, and, during the hours of classroom operation, staff members provide supervision. The students and staff take pride in the appearance of the learning space, and OYA’s classroom sites are well maintained and generally look neat and clean.

Internal Security Procedures

The Santa Clara County Office of Education has established procedures in the following areas: suspension and expulsion procedures, inventory system, and additional pertinent data will be found in the School Accountability Report Card to be published in April 2019.

Because Opportunity Youth Academy receives the most vulnerable of students, our first priority is the safety of our campus. Opportunity Youth Academy has taken steps to develop a positive school climate that promotes respect for diversity, personal and social responsibility, effective interpersonal and communication skills, self-esteem, anger management, and conflict resolution.

Students in Opportunity Youth Academy receive an hour-long, one-on-one orientation with an OYA navigator, where behavioral expectations are established and the student (and parent/guardian, if the student is a minor) signs the school compact. The OYA navigator also conducts a needs assessment to determine any barriers to schooling the student may be experiencing, such as difficulties with employment, housing, food, child care, transportation or substance abuse. OYA navigators work with agency partners to provide resources for the student to help navigate the obstacles to school re-engagement. OYA believes that a safe learning environment is one where whole-student supports are provided by caring staff who know the student well.
OYA staff and navigators from agency partners meet bimonthly to discuss student needs and plan appropriate interventions to facilitate student success. When necessary, staff will convene behavior intervention meetings with the student (and parents/guardians if the student is a minor) to outline a behavior contract for the student’s continued positive participation.

OYA staff and administrators contribute to a positive school climate, promote positive student behavior, and help reduce inappropriate conduct. The principal/designee uses available district and other appropriate records to inform teachers of each student identified under E.C. 49079.

Discipline procedures shall focus on finding the cause of problems and working with all concerned to reach the proper, lawful solutions. Teachers shall use a visible classroom management plan to communicate classroom rules, promote positive student conduct, and reduce unacceptable conduct. Appropriate consequences are administered based on the seriousness of the student’s misbehavior.

Opportunity Youth Academy maintains a copy of SCCOE’s sexual harassment policy in the Comprehensive School Safety Plan at each site, and the policy is available on request in Student Services at the Santa Clara County Office of Education. SCCOE’s Sexual Harassment Policy contains dissemination plans, applicable definitions, reporting requirements, investigation procedures, enforcement regulations, and information related to suspension and/or expulsion for sexual harassment of or by students.

Included at the end of this School Safety Plan are site maps indicating safe entrance and exit areas for students, parents and school employees. All exits are clearly marked within OYA classrooms and the facilities in which they may be located.

To ensure the safety of students and staff, all visitors and students shall sign in immediately upon entering the OYA classroom during normal hours of operation. SCCOE employees not assigned to Opportunity Youth Academy shall wear appropriate identification badges while on campus conducting business.

Law enforcement is contacted and consulted to help maintain and to promote a safe and orderly school environment. Opportunity Youth Academy employees comply with all legal mandates, regulations, and reporting requirements for all instances of suspected child abuse.

Additional internal security procedures affecting the integrity of the school facility include: telephones in every classroom and a security system operational during non-school hours.
SCHOOL CLIMATE

The School’s Social Environment

Leadership at Opportunity Youth Academy is a shared process. A proactive role is assumed in all phases of the school operation. The current management team is committed to developing Opportunity Youth Academy toward excellence in the areas of academic and social behavior.

The principal sets a positive tone for the school, guides the staff and works closely with them on curriculum and school safety issues. The school site’s organizational structure is open and flexible contributing to sensitivity concerning school safety issues and promoting a safe, orderly school environment conducive to learning.

Classroom Organization and Structure

Opportunity Youth Academy teachers create a learning community that incorporates small group instruction and one-on-one teaching in a blended learning environment.

The teachers at Opportunity Youth Academy are highly qualified, with many teachers holding advanced degrees. The staff is united in their desire to provide quality education for all students. Classrooms and teachers provide safe, orderly learning environments, enhance the experience of learning, and promote positive interactions between students and staff. Instructional time is maximized and disruptions are minimized.

The School’s Cultural Environment

There is a high level of cohesiveness among the staff members at Opportunity Youth Academy. Cooperation and support between teachers and the administration is evident. Efforts are made by the administration and staff to show support for all students. The academic and behavior efforts of students are recognized and rewarded.

All students are expected to behave in a manner that promotes safety and order. Students are encouraged to bring problems to their teacher, navigator, counselor, principal or other staff members. The daily goal for the staff is to be proactive rather than reactive in all situations of concern.

Community involvement is encouraged to help increase school safety. During every student’s enrollment process, parents and guardians are extended an invitation to participate in meetings at Opportunity Youth Academy as well as participate in their child’s classroom activities.
SAFETY STRATEGIES
Introduction

Safe Schools are orderly and purposeful places where students and staff are free to learn and teach without the threat of physical and psychological harm. Opportunity Youth Academy promotes educationally and psychologically healthy environments for all students. Opportunity Youth Academy recognizes there are comprehensive, broad factors directly related to a safe school environment such as the school facility, school programs, staff, parents and the community. Opportunity Youth Academy further recognizes that safe school practices make major contributions to academic and school improvement efforts.

Although keeping students safe requires a community-wide effort, schools are an important piece of the undertaking to keep students safe. Opportunity Youth Academy’s efforts are illustrated below which broaden the safety planning and incorporate an expansive range of strategies and programs in the school safety plan.

SCHOOL SAFETY STRATEGY #1

Positive student interpersonal relations are fostered by teaching social-personal skills, encouraging students to feel comfortable assisting others to get help when needed and teaching students alternative, socially appropriate replacement responses to violence, including, but not limited to problem solving and anger control skills. When appropriate, staff members shall make referrals to recognized community agencies and/or counseling and mental health resources in the community to assist students and families. The school uses a variety of methods to communicate to students, parents, and the greater community that all students are valued and respected, and to promote meaningful parental and community involvement.

Parent/Guardian Involvement

Staff members in effective and safe schools make persistent efforts to involve parents/guardian by: informing them about discipline policies, procedures, and rules, and about their student’s behavior, desirable and undesirable; involving them in making decisions concerning school-wide disciplinary policies and procedures; and encouraging them to participate in prevention programs, intervention programs and crisis planning.
SCCOE Schools
- effectively use the School Site Council
- notify parents about, and encourages participation in parenting programs.
- have established a school visitation procedure.
- use the School Accountability Report Card as a procedure to communicate to parents.
- provide several opportunities for parent updates and parent-teacher conferences.

Each classroom is arranged to help prevent aggressive behavior. High traffic areas are free of congestion. Students are in full view of the teacher so the teacher can easily monitor students’ behavior. Teaching materials and student supplies are readily accessible to minimize student-waiting time. Seats are arranged so students can easily see instructional presentations and to reduce the opportunity for off-task behavior.

**Community Linkages**

The Santa Clara County Office of Education advocates for the provision of community resources to help maximize the development of positive behavior and the suppression of antisocial behavior. When working with parents and students with specific issues, the staff at Opportunity Youth Academy will provide information to the families regarding available community resources.

As appropriate, students shall be informed about agencies that offer qualified professional assistance with substance abuse, physical or emotional problems, or other personal problems.

**Student Success Teams**

School communities can enhance their effectiveness by identifying factors that result in violence and other problem behaviors. Collaborative problem-solving teams are viewed as essential to successful prevention and intervention with aggressive behavior. Santa Clara County Office of Education schools utilizes a student success team to help address issues of problem behavior. These problem-solving efforts coordinate information from the student, staff, parents, and when appropriate, involved community-based agencies, in order to coordinate interventions for student success and help identify, clarify, analyze and resolve issues concerning student, educational and familial concerns.
Preventing and Intervening: Student Aggressive Behavior

Creating a safe school requires having in place many preventive measures for student’s mental and emotional problems. Schools can reduce the risk of violence by teaching students appropriate strategies for dealing with feelings, expressing anger in appropriate ways and resolving conflicts. Staff members at Opportunity Youth Academy have received training in trauma-informed care and Pro-Act de-escalation strategies.

SCCOE also recognizes the needs for a prompt and effective response when students are confronted with a traumatic incident. Early identification and intervention practices shall be enacted to help identify those students who may be at risk for violence so that support may be provided before the student engages in violent or disruptive behavior.
Student Recognition Programs

Opportunity Youth Academy celebrates student graduation and offers incentive programs throughout the year to recognize students on an ongoing basis for academic and personal progress.

SCHOOL SAFETY STRATEGY #2

Procedures, programs and strategies are used to help eliminate problems of bias or unfair treatment of students by staff and by peers because of ethnic group, gender, race, national origin, social class, religion, disability, sexual orientation, physical appearance, color, ancestry, parental status, or other relevant characteristics. The school provides a way for each student to safely report and, be protected after reporting, troubling behaviors that the student thinks may lead to dangerous situations, such as potential school violence.

Nondiscrimination and Fair Treatment of Students

A major source of conflict in many schools is the perceived or real problem of bias and unfair treatment of students because of ethnicity, gender, race, social class, religion, disability, nationality, sexual orientation, physical appearance, or some other factor. Effective schools convey the attitude that all students can achieve academically and behave appropriately, while at the same time appreciating individual differences. Effective schools communicate to students and the greater community that all students are valued and respected.

In order to maximize the successful education of all students and help them become productive citizens and lifelong learners in a diverse society, all individuals including students, parents, staff, and community members:

- shall be treated with dignity, respect and fairness;
- shall encourage and maintain high expectations;
- shall model an appreciation for socio-economic, cultural, ethnic, gender and religious diversity;
- shall contribute to an environment of mutual respect, caring and cooperation.
Discipline Policy and Code

Effective and safe schools develop, and consistently enforce, school-wide rules that are clear, broad-based, and fair. School safety can be enhanced by the development of a school-wide disciplinary policy that includes conduct, specific rules and consequences that can accommodate student differences on a case-by-case basis when necessary. Discipline consequences should be commensurate with the offense, should be written, applied in a nondiscriminatory manner, and accommodate cultural diversity. Direct teaching and social problem solving and social decision-making is now a standard feature of effective drug and violence prevention programs.

SCCOE uses both classroom and school-wide discipline codes that clearly communicate the behavioral expectancies and consequences for students. Staff have developed plans to promote positive behaviors in the classroom and within the larger facilities where some OYA classrooms are located.

SCHOOL SAFETY STRATEGY #3

*Opportunity Youth Academy’s administrators, teachers, families, students, support staff, and community members recognize and make appropriate use of the early warning signs related to violence, substance abuse, and other at-risk concerns.*

Disaster Planning

The staff of Santa Clara County Office of Education shall increase school safety by evaluating and addressing serious behavioral and academic concerns. Weapons (on campus and in the community), bomb threats, explosives, fights, natural disasters, accidents, and suicides call for immediate, planned action, and long-term, post-crisis intervention. Planning for such contingencies reduces chaos and trauma.

The schools benefit from the Santa Clara County Office of Education’s Earthquake Disaster Crisis Response Plan (EDCR). The EDCR Plan includes information on how to respond to a crisis. Risk factors, response and contingency plans, quick response designs, parent contacts, debriefing, suicide/threat response, violence/aggression response and training/drills to become aware of warning signs are among the areas addressed.

Gang Affiliation

Gang affiliation and gang activity will not be tolerated at any SCCOE school. The staff at *Opportunity Youth Academy* shall work closely with the local law enforcement/Gang Unit regarding all issues and matters that are gang related. Information from the school and the community shall be communicated to the student's parents, if the student begins to make gang affiliations. Appropriate prevention and intervention strategies and programs shall be offered to the families.
Drug and Violence Prevention Programs

The staff at Opportunity Youth Academy participate in community organizations such as the Mayor’s Gang Prevention Task Force and the Clean Slate program that work within the Santa Clara County to reduce drug use and community violence. OYA staff work with students’ probation officers, social workers and case managers to share information and monitor students’ success. OYA students may be referred to local agencies for participation in drug and violence prevention programs.

Family and Children Services Interviews of Students

Santa Clara County Department of Family and Children's Services

The Court hereby authorizes the Santa Clara County Department of Family and Children's Services to conduct an initial interview of students suspected of being the victims of child abuse or neglect on school premises pursuant to Penal Code 11174.3.

Pursuant to Greene v. Camreta (2009) 588 F.3d 1011, any such interviews shall be conducted without the involvement of law enforcement and shall not be for the purpose of acting as an agent for a law enforcement investigation.

The purpose of the interview is to determine what protective measures, if any, are necessary to ensure the safety and well-being of the suspected victim. The interview shall not exceed the amount of time necessary to make that determination.

As provided in Penal Code 11174.3, the child shall be afforded the option of being interviewed in private or selecting any adult who is a member of the staff of the school, including any certificated or classified employee or volunteer aide, to be present at the interview. The purpose of the staff person's presence shall be to lend support to the child and enable him or her to be as comfortable as possible. However, the staff member shall not participate in the interview. The member of staff shall not discuss the facts of the case or circumstances with the child. The staff member is governed by the statutory confidentiality requirements contained in Penal Code 11174.3.

This order shall be in effect after the Department of Family and Children's Services has either attempted to obtain parental consent for the interview or has determined that seeking parental consent may endanger the safety or well-being of the child.

This order does not limit the cross reporting requirements of Penal Code section 11166, which shall be followed as directed by statute.
PROCEDURES FOR NOTIFYING TEACHERS ABOUT DANGEROUS STUDENTS

III. Internal Reporting

A. Employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Santa Clara County Superintendent of Schools or designee.
B. If an employee has knowledge of or reasonably suspects that another County Office employee or an individual who works with or has contact with students on campus has or is engaged in conduct that may be an indication of suspected child abuse or neglect, they must take the following actions:
1. File a Suspected Child Abuse Report by telephone to DCFS;
2. Submit a Suspected Child Abuse Report form (SS 8572) within 36 hours;
3. Immediately notify their supervisor of the alleged inappropriate conduct;
4. If the allegation involved the site administrator, the employee is to contact the program director.

Caution:
1. The reporting responsibility has not been discharged until both the telephone call and written reports are complete.
2. School personnel are not to engage in any investigation of suspected cases. The investigation will be done by the child protective services office.
3. The reporting responsibility is an individual one which is not discharged by report to supervisors or administrators.
WHAT TO DO WHEN PROBLEMS APPEAR

Both behavioral and academic problems are present in some of our students. Teachers often ask for guidelines for dealing with these problems. Here they are:

1. Talk to your Principal or Teacher-in-Charge.

2. Call parents at first sign of concern. Inform the parents of your observations, ask for their ideas, assistance, and support in serving the student. If applicable and appropriate, call the student’s probation officer, social worker or case manager. Keep a log of your calls.

3. Talk privately to the student about your concerns.

4. Discuss concerns and possible interventions for the student with teachers and navigators at the Student Success Team meetings.

5. Behavior concerns: Look for patterns of behavior that may warrant school intervention and document incidents in Aeries. Serious infractions (fighting, threats, etc.) do result in students being sent home and parents of minors notified. In addition, students may be cited by law enforcement.

6. Academic Concerns: Consult transcript of student, work production logs, any previous IEPs or 504s and any formative or summative assessments, including California state tests and school unit or benchmark exams. You may want to ask the grade level administrator to schedule a meeting with the student, parents, administrators, students’ teachers, and perhaps the psychologist.

On school grounds and at school activities, students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program.

Behavior is considered appropriate when students are diligent in study, careful with school property, courteous and respectful towards their teachers, staff, students and volunteers.

While in the classroom, students will be expected to conduct themselves as if they were on a job.

Prohibited student conduct includes but is not limited to:

1. Behavior that disrupts the orderly classroom or school environment

Administration may also direct persons to leave campus whose presence interferes with school activities, unless such person is a parent of a child attending that school, is a student of the school, or has prior written permission of school administration. (Penal Code Section 626.8)
CODE OF SAFETY AND CONDUCT

The Santa Clara County Office of Education recognizes the importance of providing a safe school environment that is conducive to learning and helps ensure student safety and the prevention of student injury. Appropriate practices have been implemented to minimize the risk of harm to students, including, but not limited to, practices relative to school facilities and equipment, the outdoor environment, educational programs, and school-sponsored activities.

Staff is responsible for the proper supervision of students during school hours and school-sponsored activities.

The Santa Clara County Office of Education shall ensure that students receive appropriate instruction on topics related to safety, as well as injury and disease prevention where applicable.
COMMUNICATIONS HOME/SCHOOL

The Santa Clara County Office of Education recognizes that notifications are very important to effectively communicate between the school and the home. The Superintendent or designee shall send students and parents/guardians all notifications required by law, including notifications about their legal rights, and any other notifications he/she believes will promote parental understanding and involvement.

Communication is available in English and Spanish, as well as other languages when necessary or appropriate for effective communication.
COMMUNICATIONS PARENT/SCHOOL

The Santa Clara County Office of Education recognizes that parent communication between the parent and the school is important. Parents are invited to telephone their student’s school for information regarding their child. Parents are invited to participate in OYA’s School Site committee and ELAC committees.

Communication is available in English and Spanish, as well as other languages when necessary or appropriate for effective communication.
CONFLICT RESOLUTION

To promote student safety and contribute to the maintenance of a positive school climate, the Santa Clara County Board of Education encourages the development of school-based conflict resolution programs designed to help students learn constructive ways of handling conflict. SCCOE believes that programs can reduce violence and promote communication, personal responsibility and problem-solving skills among students.
CLASSROOM DISRUPTION/INSUBORDINATION

If The Santa Clara County Superintendent of Schools or the Principal of a school in which a student is enrolled determines that a student has disrupted school activities or otherwise willfully defined the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties, the student may be sent home, the behavior documented and the parent notified. In addition, the student may be placed on a behavior contract and required to participate in other interventions and supports.
GUIDANCE

The Santa Clara County Office of Education shall ensure that students are provided with academic counseling. This will help students establish immediate and long-range educational plans, achieve academic standards, and complete the required curriculum in accordance with their individual needs, abilities, and interests. Parents/guardians shall be included when making educational plans as much as possible.

The guidance counselor will assist students to plan for the future and become aware of their career potential.

Counseling staff shall identify and work with students whose personal problems may prevent them from reaching their potential. As appropriate, students shall be informed about agencies that offer qualified professional assistance with substance abuse, physical or emotional problems, or other personal problems.

SCCOE also recognizes the needs for a prompt and effective response when students are confronted with a traumatic incident. Early identification and intervention shall be developed to help identify those students who may be at risk for violence so that support may be provided before the student engages in violent or disruptive behavior.
SAFE INGRESS TO AND EGRESS FROM SCHOOL

All students arrive by independent means to the classroom site. Non-SCCOE site staff supervise students when entering and exiting the facility. For sites with direct access to the outside, OYA staff supervises students as they enter and exit through the classroom door.

The council or committee may also include SCCOE administrators, health professionals, school nurses, health educators, physical education teachers, counselors, and/or others interested in school health issues.

The school health council or committee shall assist with policy development and advise SCCOE on health-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the council’s charges may include planning and implementing activities to promote health within the school or community. (42 USC 1751)

Education Code 48902

(a) The principal of a school or the principal’s designee shall, prior to the suspension or expulsion of any student, notify the appropriate law enforcement authorities of the county or city in which the school is situated, of any acts of the student that may violate Section 245 of the Penal Code.

(b) The principal of a school or the principal’s designee shall, within one school day after suspension or expulsion of any student, notify, by telephone or any other appropriate method chosen by the school, the appropriate law enforcement authority of the county or the school district in which the school is situated of any acts of the students that may violate subdivision (c) or (d) or Section 48900.

(c) Notwithstanding subdivision (b), the principal of a school or the principal’s designee shall notify the appropriate law enforcement authorities of the county or city in which the school is located of any acts of a student that may involve the possession or sale of narcotics or of a controlled substance or a violation of Section 626.9 or 626.10 of the Penal Code.

(d) A principal, the principal’s designee, or any other person reporting a known or suspected act described in subdivision (a) or (b) is not civilly or criminally liable as a result of making any report authorized by this article unless it can be proven that a false report was made and that the person knew the report was false or the report was made with reckless disregard for the truth or falsity of the report.

(e) The willful failure to make any report required by this section is an infraction punishable by a fine to be paid by the principal or principal’s designee who is responsible for the failure of not more than five hundred dollars ($500).

(f) The principal of a school or the principal’s designee reporting a crime act committed by a school age individual with exceptional needs, as defined in Section 56026, shall ensure that copies of the special education and disciplinary records of the pupil are transmitted, as described in paragraph (9) of subsection (k) of Section 1415 of Title 20 of the United States Code, for consideration by the appropriate authorities to whom he or she reports the criminal act. Sec. 1232g et seq.).

(g) The principal of a school or the principal’s designee shall, notify the appropriate law enforcement authorities of the county or city in which the school is located of any acts of a student that may involve the possession or sale of narcotics or of a controlled substance or a violation of Section 626.9 or 626.10 of the Penal Code.
ZERO TOLERANCE

Although the term “zero tolerance” does not appear in law, the federal Gun-Free Schools Act (20 USC 7151) requires that a student who brings a firearm to school be expelled for one year. Education Code 48915(c) also requires the mandatory suspension and recommendation for expulsion of students who possess, sell or furnish, brandish a knife*, sell a controlled substance, commit or attempt to commit a sexual assault or sexual battery, or possess an explosive.

The Santa Clara County Office of Education supports a zero tolerance approach to serious offenses. This enables the removal of potentially dangerous students from the classroom to a top priority and ensures the standardized treatment of all students.

*Per California Education Code 4815(g) a knife is defined as: Any dirk, dagger, or other weapon with a fixed sharpened blade fitted primarily for stabbing, a weapon with a blade longer than 3 ½ inches, a folding knife with a blade that locks into place, or a razor with an unguarded blade.
EMERGENCY PROCEDURES
INITIAL RESPONSE TO EMERGENCIES

When an emergency situation occurs, school personnel must quickly determine what initial response actions are required. Determining the appropriate actions to take is a three-step process: 1) identify the type of emergency; 2) identify the level of emergency; and 3) determine immediate action(s) that may be required. Each of these steps is discussed below.

IDENTIFY TYPE OF EMERGENCY

The first step in responding to an emergency is to determine the type of emergency that has occurred. Emergency procedures for the 18 different types of emergencies are listed below:

- Aircraft Crash
- Animal Disturbance
- Armed Assault on Campus
- Biological or Chemical Release
- Bomb Threat
- Disorderly Conduct
- Earthquake
- Earthquake During Non-School Hours
- Explosion/Risk of Explosion
- Fire in Surrounding Area
- Fire on School Grounds
- Flooding
- Loss or Failure of Utilities
- Motor Vehicle Crash
- Psychological Trauma
- Suspected Contamination of Food or Water
- Threat of Violence
- Unlawful Demonstration/Walkout
The second step in responding to an emergency is to determine the level of the emergency. For schools, emergency situations can range from a small fire to a major earthquake. To assist schools in classifying emergency situations, a three-tiered rating system is described below.

**Level 1 Emergency:** A minor emergency that is handled by school personnel without assistance from outside agencies, such as a temporary power outage, a minor earthquake, or a minor injury on campus.

**Level 2 Emergency:** A moderate emergency that requires assistance from outside agencies, such as a fire or a moderate earthquake, or a suspected act of terrorism involving the dispersion of a potentially hazardous material, e.g., “unknown white powder”.

**Level 3 Emergency:** A major emergency event that requires assistance from outside agencies such as a major earthquake, civil disturbance or a large-scale act of terrorism. For Level 3 emergencies, it is important to remember that the response time of outside agencies may be seriously delayed.
DETERMINE IMMEDIATE RESPONSE ACTIONS

Once the type and extent of an emergency has been identified, school personnel can determine if an immediate response action is required. The most common immediate response actions initiated during school emergencies are:

- Drop, Cover, and Hold
- Shelter- In-Place
- Lock Down
- Evacuate Building
- Off-Site Evacuation
- All Clear

Procedures for each of these are below.
DROP, COVER, AND HOLD

This action is taken to protect students and staff from flying or falling debris.

Description of Action:

1. The teacher(s) will make the following announcement to students. The teacher(s) should be calm, convey reassuring comments that the situation is under control and give clear directions.

   “Some seismic activity. For everyone’s protection, all students should follow staff drop, cover, and hold procedures, which mean you should DROP where you are, onto your hands and knees, and crawl to shelter nearby. Find a sturdy table or desk and crawl underneath if for shelter. COVER you head and neck with one arm and hand. HOLD on until shaking stops.”

2. Teacher(s) and students should move away from windows.
3. Teacher(s) should notified site administration once shaking ends.
4. Teacher(s) should notified parents of minors.
SHELTER-IN-PLACE

This action is taken to place and/or keep students indoors in order to provide a greater level of protection from airborne contaminants in outside air. Shelter-in-Place is implemented when there is a need to isolate students and staff from the outdoor environment, and includes the shutdown of classroom and/or building HVAC systems. During Shelter-in-Place, no one should be exposed to the outside air.

The difference between Shelter-in-Place and Lock Down is that the former involves shut down of the HVAC systems, and allows for the free movement of students within the building. However, classes in bungalows and buildings with exterior passageways will have to remain in the classroom.

Description of Action:

1. The Teacher will make the following announcement to students. The Teacher should be calm, convey reassuring comments that the situation is under control and give clear directions.

   "Your attention please. Because we have received information regarding a hazard in the community, we are instituting shelter-in-place procedures. Remember, this means students and staff are to remain inside the building away from outside air with windows and doors securely closed and air conditioning units turned off. All students and staff that are outside are to immediately move to the protection of an inside room. As soon as we have further information, we will share it with you."

2. If outside, students will proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into nearby classrooms or school buildings (such as auditorium, library, cafeteria, or gymnasium). Teachers should consider the location and proximity of the identified hazard and, if necessary, proceed to an alternative indoor location.

3. Teachers are responsible to secure individual classrooms whereas the Security/Utilities Team will assist in completing the procedures as needed: shut down the classroom/building(s) HVAC system; turn off local fans in the area; close and lock doors and windows; seal gaps under doors and windows with wet towels or duct tape; seal vents with aluminum foil or plastic wrap, if available; and turn off sources of ignition, such as pilot lights.
LOCK DOWN

This action is taken when the threat of violence or gunfire is identified or directed by law enforcement and it is necessary to prevent the perpetrator(s) from entering occupied areas. During Lock Down, students are to remain in the classrooms or designated locations at all time.

The difference between Shelter-in-Place and Lock Down is that the former involves shut down of the HVAC systems, and allows for the free movement of students within the building whereas during Lock Down, students are to remain in the classrooms or designated locations at all time.

Description of Action:

1. The Teacher will make the following announcement to students. The Teacher should be calm, convey reassuring comments that the situation is under control and give clear directions.

   “Your attention please. We have an emergency situation and need to implement lock down procedures. Teachers are to lock classroom doors and keep all students inside the classroom until further notice. Do not open the door until notified by an administrator or law enforcement. If outside, students and staff are to proceed inside the nearest building or classroom.”

2. If inside, teachers will instruct students to lie on the floor, lock the doors, and close any shades or blinds if it appears safe to do so.

3. If outside, students will proceed to their classrooms if it is safe to do so. If not, teachers or staff will direct students into nearby classrooms or school buildings (such as the auditorium, library, cafeteria, or gymnasium).

4. Teachers and students will remain in the classroom or secured area until further instructions are given by school administration or law enforcement.

5. The front entrance is to be locked and no visitors other than appropriate law enforcement or emergency personnel will be allowed on campus.
EVACUATE BUILDING

This action is taken after the decision is made that it is unsafe to remain in the building.

Description of Action:

1. The Teacher will make the following announcement to students. The Teacher should be calm, convey reassuring comments that the situation is under control and give clear directions.

   “Your attention please. We need to institute an evacuation of all buildings. Teachers are to take their students to the Assembly Area and report to their designated area. Students are to remain with their teacher. Teachers need to take their student roster and lock the classroom when all students have exited the classroom.”

2. The Teacher or site administration will initiate a fire alarm.

3. Teachers will instruct students to evacuate the building using designated routes and assemble in their assigned Assembly Area.

4. Teachers will take the student roster when exiting the building and take attendance once the class is assembled in a safe location.

5. Once assembled, teachers and students will stay in place until further instructions are given.
OFF-SITE EVACUATION

This action is taken after a decision is made that it is unsafe to remain on the campus, and evacuation to an off-site Assembly Area is required.

Description of Action:

1. The Teacher will make the following announcement to students. The Teacher should be calm, convey reassuring comments that the situation is under control and give clear directions.

   “Your attention please. We need to institute an off-site evacuation. Teachers are to take their students to the off-site Assembly Area and report to their designated area. Students are to remain with their teacher. Teachers need to take their student roster and lock the classroom when all students have exited the classroom.”

2. The Teacher or site administration will determine the safest method for evacuating the campus.

3. Teachers will secure the student roster when leaving the building and take attendance once the class is assembled in a pre-designated safe location.

4. Once assembled off-site, teachers and students will stay in place until further instructions are given.

5. In the event clearance is received from appropriate agencies, the Teacher may authorize students and staff to return to the classrooms.
ALL CLEAR

This action is taken to notify staff that normal school operations can resume.

Description of Action:

1. The Teacher will make the following announcement to students. The Teacher will use other means of communication, i.e., sending messengers to deliver instructions.

   “Your attention please. It is now ok to return to your classroom and resume normal operations. I would like to thank you and commend students and staff for their cooperation.”

2. This action signifies the emergency is over.

3. If appropriate, teachers should immediately begin discussions and activities to address students’ fears, anxieties, and other concerns.

It is important to note that school administrators are responsible for the health and safety of students and staff during an emergency. Although the following procedures refer to specific actions, school administrators must exercise discretion in implementing standardized procedures, and should consider modifications as necessary to assure the health and safety of all personnel during an emergency.

In the following procedures, the Principal or designee will be referred to as “School Administrator”.

AIRCRAFT CRASH

This procedure addresses situations involving an Aircraft Crash on or in proximity to school property. If a crash results in a fuel or chemical spill on school property, refer to Biological or Chemical Release. If a crash results in a utility interruption, refer to Loss or Failure of Utilities.

Procedure:

1. The School Administrator will initiate appropriate Immediate Response Actions, which may include DUCK AND COVER, SHELTER-IN-PLACE, EVACUATE BUILDING, or OFF-SITE EVACUATION.

2. If the School Administrator issues the EVACUATE BUILDING action, staff and students will evacuate the buildings using prescribed routes or other safe routes to the Assembly Area.

3. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

   The School Administrator will call 911 and Santa Clara County Sheriff’s Department (408-293-2311) and will provide the exact location (e.g., building or area) and nature of emergency.

4. If on school property, the Security/Utilities Team will secure the crash area to prevent unauthorized access. If a crash results in a fuel or chemical spill on school property, refer to Biological or Chemical Release. If a crash results in a utility interruption, refer to Loss or Failure of Utilities.

5. The School Administrator will direct the Fire Suppression and HazMat Team to organize fire suppression activities until the Fire Department arrives.

6. The First Aid/Medical Team will check injuries to provide appropriate first aid.

7. The School Administrator will call the Assistant Superintendent, Student Services and Support Division.
   a. Member of this group will call the Media & Communications Department with information on this situation as appropriate.

8. Any affected areas will not be reopened until the Santa Clara County HazMat or appropriate agency provides clearance and the School Administrator issues authorization to do so.

9. The Psychological First Aid Team will convene onsite and begin the process of counseling and recovery as appropriate.

10. If it is unsafe to remain on campus, the School Administrator will initiate an OFF-SITE EVACUATION, if warranted by changes in conditions.
ANIMAL DISTURBANCE

This procedure should be implemented when the presence of a dog, coyote, mountain lion or any other wild animal threatens the safety of students and staff.

Procedure:

1. The School Administrator will initiate appropriate Immediate Response Actions, may include LOCK DOWN or EVACUATE BUILDING.

2. Upon discovery of an animal, staff members will attempt to isolate the animal from students, if it is safe to do so. If the animal is outside, students will be kept inside. If the animal is inside, students will remain outside in an area away from the animal. It is suggested closing doors or locking gates as means to isolate the animal.

3. If additional outside assistance is needed, the School Administrator will call 911, Local Police or Santa Clara County Sheriff’s Department, Department of Animal Regulation (408-465-2920) and provide the location of the animal and nature of emergency.

4. If a staff member or student is injured, the parent, and SCCOE Risk Manager will be notified.

5. The School Administrator will initiate of OFF-SITE EVACUATION, if warranted by changes in conditions at the school.
ARMED ASSAULT ON CAMPUS

An Armed Assault on Campus involves one or more individuals who attempt to take hostages or cause physical harm to students and staff. Such an incident may involve individuals who possess a gun, a knife or other harmful device.

Procedure:

1. Upon first indication of an armed assault, personnel should immediately notify the School Administrator.

2. The School Administrator will initiate the appropriate Immediate Response Action(s), which may include SHELTER-IN-PLACE, LOCK DOWN, EVACUATE BUILDING or OFF-SITE EVACUATION.

3. The School Administrator will call 911 and provide the exact location and nature of the incident. The School Administrator should designate a person to remain online with the 911 operator if safe to do so.

4. Staff should take steps to calm and control students, and if safe to do so, attempt to maintain separation between students and the perpetrator.

5. Staff should maintain order in all areas of assembly or shelter, and should await the arrival of law enforcement.

6. After the perpetrator(s) has been neutralized, the School Administrator will conduct a headcount of students and staff, and will notify law enforcement of any missing persons.

7. The First Aid/Medical Team will work with local authorities to ensure injured students and staff receives medical attention.

8. The Security/Utilities Team will control all points of entry to the school.

9. The School Administrator will prepare a verified list of casualties, and the locations to which they were transported. The School Administrator will confer with the Psychological First Aid Team to ensure the notification of parents and family members.

10. All media inquiries will be referred to the designated SCCOE Communications Chief.

11. The School Administrator will debrief staff.
A Biological or Chemical Release is an incident involving the discharge of a biological or chemical substance in a solid, liquid or gaseous state. Such incidents may also include the release of radioactive materials. Common chemical threats within or adjacent to schools include the discharge of acid in a school laboratory, an overturned truck of hazardous materials in proximity of the school, or an explosion at a nearby oil refinery or other chemical plant.

The following indicators may suggest the release of a biological or chemical substance: multiple victims suffering from watery eyes, twitching, choking or loss of coordination, or having trouble breathing. Other indicators may include the presence of distressed animals or dead birds.

This procedure deals with three possible scenarios involving the release of biochemical substances: Scenario 1 - Substance released inside a room or a building; Scenario 2 - Substance released outdoors and localized; and Scenario 3 - Substance released in surrounding community. It is necessary to first determine which scenario applies and then implement the appropriate response procedures listed below.

**Scenario 1: Substance Released Inside a Room or Building**

1. The School Administrator will initiate the EVACUATE BUILDING action as described. Staff will use designated routes or other alternative safe routes to an assigned Assembly Area, located upwind of the affected room or building.

2. The School Administrator will call 911 and will provide the exact location (e.g., building, room, area) and nature of emergency.

3. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the situation.

4. The School Administrator will instruct the Security/Utilities Team to isolate and restrict access to potentially contaminated areas.

5. The Security/Utilities Team will turn off local fans in the area of the release, close the windows and doors, and shut down the building’s air handling system.

6. Persons who have come into direct contact with hazardous substances should have affected areas washed with soap and water. Immediately remove and contain contaminated clothes. Do not use bleach or other disinfectants on potentially exposed skin. Individuals who have been contaminated “topically” by a liquid should be segregated from unaffected individuals (isolation does not apply to widespread airborne
releases). A member of the First Aid/Medical team should assess the need for medical attention.

7. The Assembly Area Team will prepare a list of all people in the affected room or contaminated area, specifying those who may have had actual contact with the substance. The Assembly Area Team will provide the list to the School Administrator and the emergency response personnel.

8. The Psychological First Aid Team will convene onsite and begin the process of counseling and recovery.

9. Any affected areas will not be reopened until the Santa Clara County Hazardous Materials or appropriate agency provides clearance and the School Administrator gives authorization to do so.
**Scenario 2: Substance Released Outdoors and Localized**

1. The School Administrator will immediately direct staff to remove students from the affected areas to an area upwind from the release. The School Administrator will, if necessary, initiate the EVACUATE BUILDING action.

2. The Security/Utilities Team will establish a safe perimeter around the affected area and ensure personnel do not reenter the area.

3. The School Administrator will call 911” and will provide the exact location and nature of emergency.

4. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division.

5. The Security/Utilities Team will turn off local fans in the area of the release, close the windows and doors and shut down the air handling systems of affected buildings.

6. Persons who have come into direct contact with hazardous substances should have affected areas washed with soap and water. Immediately remove and contain contaminated clothes. Do not use bleach or other disinfectants on potentially exposed skin. Individuals that have been contaminated “topically” by a liquid should be segregated from unaffected individuals (isolation does not apply to widespread airborne releases). A member of the First Aid/Medical Team should assess the need for medical attention.

7. The Assembly Area Team will prepare a list of all people in areas of contamination, especially those who may have had actual contact with the substance. The Assembly Area Team will provide the list to the School Administrator and the emergency response personnel.

8. The Psychological First Aid Team will convene onsite and begin the process of counseling and recovery.

9. Any affected areas will not be reopened until the appropriate agency provides clearance and the School Administrator gives authorization to do so.

**Scenario 3: Substance Released in Surrounding Community**

1. If the School Administrator or local authorities determine a potentially toxic substance has been released to the atmosphere, the School Administrator will initiate SHELTER-IN-PLACE.

2. Upon receiving the SHELTER-IN-PLACE notification, the Security/Utilities Team will turn off local fans in the area; close and lock doors and windows; shut down all buildings’ air handling systems; seal gaps under doors and windows with wet towels or duct tape;
seal vents with aluminum foil or plastic wrap, if available; and turn off sources of ignition, such as pilot lights.

3. Staff and students located outdoors will be directed to proceed immediately to nearby classrooms or buildings (e.g., auditorium, library, cafeteria, and gymnasium). Teachers should communicate their locations to the School Administrator, using the PA system or other means without leaving the building.

4. The School Administrator will call 911 and will provide the exact location and nature of emergency.

5. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the situation.

6. The School Administrator will turn on a radio or television station to monitor information concerning the incident.

7. The school will remain in a SHELTER-IN-PLACE condition until appropriate agency provides clearance, or staff is otherwise notified by the School Administrator.
BOMB THREAT

Response to a Bomb Threat is initiated upon the discovery of a suspicious package on campus grounds or receipt of a threatening phone call that may present a risk of an explosion.

Procedure:

1. If the threat is received by telephone, the person receiving the call should attempt to keep the caller on the telephone as long as possible and alert someone else to call 911, telling the operator, “This is [state your name] from [school]. We are receiving a bomb threat on another line. The number of that line is [state phone number].”

2. The person answering the threat call should ask the following questions, record the answers and then immediately notify the School Administrator:
   - When is the bomb going to explode?
   - Where is it?
   - What will cause it to explode?
   - What kind of bomb is it?
   - Who are you?
   - Why are you doing this?
   - What can we do for you to avoid the bomb from exploding?
   - How can you be contacted?

3. The School Administrator will direct the Search and Rescue Team(s) to search for suspicious packages, boxes or foreign objects. While conducting the search, all cell phones, beepers and hand-held radios should be turned off since many modern day explosive devices can be triggered by radio frequencies.

4. If a suspicious object is identified, one member of the Search and Rescue Team will report the discovery to the School Administrator while the remaining team members attempt to secure the immediate area.

5. No attempt should be made to investigate or examine the object.

6. After the search, the School Administrator will determine the appropriate Immediate Response Action(s) to announce, which may include DUCK AND COVER, LOCK DOWN, EVACUATE BUILDING or OFF-SITE EVACUATION.

7. If a suspicious object or bomb is found, the School Administrator shall issue the EVACUATE BUILDING action. Staff and students will evacuate the building using prescribed routes or other safe routes to the Assembly Area.
8. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

9. The School Administrator will notify 911, if not previously notified, and will provide the exact location (e.g., building, room, area) of the potential bomb, if known.

10. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the situation.

11. The Psychological First Aid Team will convene onsite and begin the process of counseling and recovery.

12. Do not resume school activities until the affected buildings have been inspected by proper authorities and determined to be safe. The School Administrator will give the ALL CLEAR signal.

13. The School Administrator will initiate an OFF-SITE EVACUATION, if warranted by changes in conditions.

14. After the incident is over, the School Administrator will complete a bomb threat report.
EARTHQUAKE

Earthquakes generally occur without warning and may cause minor to serious ground shaking, damage to buildings, and injuries. It is important to note that even a mild tremor can create a potentially hazardous situation and the following procedures should be implemented in response to all earthquakes regardless of magnitude.

Procedure:

Note: Keep calm and remain where you are. Assess the situation, and then act. Remember, most injuries or deaths are the direct cause of falling or flying debris.

1. Upon the first indication of an earthquake, teachers should direct students to DUCK AND COVER.

2. Move away from windows and overhead hazards to avoid glass and falling objects.

3. When the shaking stops, the School Administrator will initiate the EVACUATE BUILDING. Staff and students will evacuate the buildings using prescribed routes or other safe routes to the Assembly Area.

4. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

5. The School Administrator will direct the Security/Utilities Team to post guard a safe distance away from building entrances to prevent access.

6. The Security/Utilities Team will notify school personnel of fallen electrical wires and instruct them to avoid touching the fallen wires.

7. The First Aid/Medical Team will check for injuries and provide appropriate first aid.

8. The School Administrator will direct the Security/Utilities Team to notify the appropriate utility company of damages (e.g., gas, power, water, or sewer).

9. If the area appears safe, the Search and Rescue Team will make an initial inspection of school buildings to identify any injured or trapped students or staff.
10. The School Administrator will contact the Assistant Superintendent, Student Services and Support Division to determine additional actions that may be necessary. In turn, the actions will be communicated to SCCOE’s Media & Communications Department.

11. The School Administrator will contact the SCCOE Facilities Director to ensure buildings are safe for occupancy. When safe to do so, the Fire Suppression and Hazardous Materials Team will conduct an inspection of school buildings. The Fire Suppression and Hazardous Materials Team will maintain a log of their findings, by building, and provide a periodic report to the School Administrator.

12. Any affected areas will not be reopened until the SCCOE Facilities Director provides clearance and the School Administrator gives authorization to do so.
EARTHQUAKE DURING NON-SCHOOL HOURS

In the event an earthquake occurs during non-school hours:

1. The School Administrator and the Facilities Director will assess damages to determine any necessary corrective actions. The School Administrator may direct the Fire Suppression and Hazardous Materials Team to participate in the assessment.

2. The School Administrator should confer with the Assistant Superintendent, Student Services and Support Division on identified damages to determine if the school should be closed.
EXPLOSION/RISK OF EXPLOSION

This section addresses four possible scenarios involving an Explosion/Risk of Explosion: Scenario 1 - Explosion on school property; Scenario 2 – Risk of explosion on school property; Scenario 3 - Explosion or risk of explosion in a surrounding area, and Scenario 4 – Nuclear blast or explosion involving radioactive materials. [A nuclear blast is characterized by a sequence of intense light and heat, air pressure wave, expanding fireball, and subsequent radioactive fallout.] It is necessary to first determine which scenario applies and then implement the appropriate response procedures including the procedures for Bomb Threat.

Scenario 1: Explosion on School Property

1. In the event of an explosion, all persons should initiate DUCK AND COVER.

2. The School Administrator will consider the possibility of another imminent explosion and take appropriate action.

3. After the explosion, the School Administrator will initiate appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE, EVACUATE BUILDING or OFF-SITE EVACUATION as described previously. Evacuation may be warranted in some buildings and other buildings may be used as shelter.

4. In the event of an evacuation, staff and students will use prescribed routes or other safe routes and proceed to the Assembly Area.

5. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

6. The School Administrator will call 911, Local Police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and will provide the exact location (e.g., building, room, area) and nature of emergency.

7. The First Aid/Medical Team will check for injuries and provide appropriate first aid.

8. Staff should attempt to suppress fires with extinguishers. Note: Ensure the use of proper type of extinguishers, i.e. Class A, B or C for ordinary combustibles; Class B or C for fires involving flammable liquids; or Class C only for fires involving electrical equipment.

9. The Security/Utilities Team Leader will notify the appropriate utility company of any damages to water lines, sewers, power lines and other utilities.
10. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the situation and will call the SCCOE Media & Communications Department with information on the situation.

11. The Security/Utilities Team Leader will post guards a safe distance away from the building entrance to prevent persons entering the school buildings.

12. When it is determined safe to enter affected areas, the School Administrator will advise the Search and Rescue Team to initiate search and rescue activities.

13. The School Administrator will contact the Facilities Director to ensure buildings are safe for occupancy. When safe to do so, the Fire Suppression and Hazardous Materials Team will conduct an inspection of school buildings. The Fire Suppression and Hazardous Materials Team will maintain a log of their findings, by building, and provide a periodic report to the School Administrator.

14. Any areas affected by the explosion will not be reopened until appropriate agency provides clearance and the School Administrator gives authorization to do so.

15. The School Administrator will initiate an OFF-SITE EVACUATION.

**Scenario 2: Risk of Explosion on School Property**

1. The School Administrator will initiate appropriate Immediate Response Actions, which may include DUCK AND COVER, SHELTER-IN-PLACE, EVACUATE BUILDING, or OFF-SITE EVACUATION.

2. If the School Administrator issues EVACUATE BUILDING action, staff and students will evacuate the building using prescribed routes or other staff routes to the Assembly Area.

3. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

4. The School Administrator will call 911, Local Police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) Santa and will provide the exact location (e.g. building, room, area) and nature of emergency.

5. Staff should attempt to suppress fires with extinguishers. Note: Ensure the use of proper type of extinguishers, i.e. Class A, B, or C for ordinary combustible.

**Scenario 3: Explosion or Risk of Explosion in Surrounding Area**

1. The School Administrator will initiate the SHELTER-IN-PLACE.
2. The School Administrator will notify 911, local police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and will provide the exact location (e.g., building, area) and nature of emergency.

3. The School Administrator will take further actions as needed.

4. The school will remain in a SHELTER-IN-PLACE condition until the appropriate agency provides clearance and the School Administrator issues further instructions.

Scenario 4: Nuclear Blast or Explosion Involving Radioactive Materials

1. The School Administrator will initiate the SHELTER-IN-PLACE response action as described.

2. When sheltering, personnel should try to establish adequate barriers or shielding (e.g. concrete walls, metal doors) between themselves and the source of the blast or explosion, and should avoid sheltering near exterior windows.

3. The School Administrator will notify 911, local police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and provide details on the area and personnel affected at the school.

4. After the initial blast, school staff will remove students from rooms with broken windows, extinguish fires, provide first aid, and relocate students from upper floors if possible.

5. The Security/Utilities team will turn off the school’s main gas supply, local fans in the area; close and lock doors and windows; shut down all buildings’ air handling systems; seal gaps under doors and windows with wet towels or duct tape; seal vents with aluminum foil or plastic wrap, if available; and turn off sources of ignition, such as pilot lights.

6. The School Administrator will monitor radio or television announcements and initiate further actions as appropriate.

7. At the School Administrator’s discretion, and only if safe to do so, designated personnel should attempt to distribute emergency supplies including food and water.

8. The school will remain in a SHELTER-IN-PLACE condition until the appropriate agency provides clearance and the School Administrator issues further instructions.
FIRE IN SURROUNDING AREA

This procedure addresses the situation where a fire is discovered in an area adjoining the school. The initiated response actions should take into consideration the location and size of the fire, its proximity to the school and the likelihood that the fire may affect the school.

Procedure:

1. The School Administrator will initiate the appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE, LOCK DOWN, EVACUATE BUILDING or OFF-SITE EVACUATION.

2. The School Administrator will notify 911, local police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and will provide the location and nature of emergency.

3. The School Administrator will instruct the Security/Utilities Team to prevent students from approaching the fire and keep routes open for emergency vehicles.

4. The School Administrator will contact the local fire department and will work with the fire department to determine if school grounds are threatened by the fire, smoke, or other hazardous conditions.

5. If the School Administrator issues the EVACUATE BUILDING action, staff and student will evacuate the affected building(s) using prescribed routes or other safe routes to the Assembly Area.

6. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

7. The School Administrator will keep a battery-powered radio tuned to a local radio station for emergency information.

8. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the emergency situation and will call the Office of the Communication with information of this situation.

9. If needed, the School Administrator will notify Transportation to request busses for staff and student evacuation.

10. The School Administrator will initiate an OFF-SITE EVACUATION, if warranted by changes in conditions.
FIRE ON SCHOOL GROUNDS

This procedure addresses situations where a fire is discovered on school grounds. A quick response to this situation is very important to prevent injuries and further property damage.

Procedure:

1. Upon discovery of a fire, teachers or staff will direct all occupants out of the building, signal the fire alarm, and report the fire to the School Administrator.

2. The School Administrator will immediately initiate the EVACUATE BUILDING. Staff and students will evacuate buildings using the prescribed routes or other safe routes to the Assembly Area.

3. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

4. The School Administrator will call 911, local police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and will provide the exact location (e.g., building, room, area) of the fire.

5. The Fire Suppression and Hazardous Materials Team will suppress fires and initiate rescue procedures until the local fire department arrives.

6. The Security/Utilities Team will secure the area to prevent unauthorized entry and keep access roads clear for emergency vehicles.

7. The School Administrator will direct the fire department to the fire and brief fire department official on the situation.

8. The Security/Utilities Team will notify the appropriate utility company of damages.

9. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the fire and will call the Media & Communications Department with information of the situation.

10. If needed, the School Administrator will notify the SCCOE Transportation Department to request busses for staff and student evacuation.

11. Any affected areas will not be reopened until the Santa Clara County Fire Department or appropriate agency provides clearance and the School Administrator issues authorization to do so.
12. For fires during non-school hours, the School Administrator, the Assistant Superintendent, Student Services and Support Division and the Santa Clara County Superintendent of Schools will determine if the school will open the following day.

13. All fires, regardless of their size, which are extinguished by school personnel, require a call to the Fire Department to indicate “fire is out.”
FLOODING

This procedure applies whenever storm water or other sources of water inundate or threaten to inundate school grounds or buildings. Flooding may occur as a result of prolonged periods of rainfall, where the school would have sufficient time to prepare. Alternatively, flooding may occur without warning, as a result of damage to water distribution systems, or a failure of a nearby man-made dam.

Procedure:

1. The School Administrator will initiate appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE, EVACUATE BUILDING, or OFF-SITE EVACUATION.

2. The School Administrator will notify 911, local police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and will describe the nature and extent of the flooding.

3. The School Administrator will keep a battery-powered radio tuned to a local radio station for information.

4. If the School Administrator issues the EVACUATE BUILDING or OFF-SITE EVACUATION action, staff and students will evacuate affected buildings using prescribed routes or other safe routes to the Assembly Area.

5. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

6. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the emergency situation and will call the Media & Communications Department with information on this situation.

7. The School Administrator will initiate an OFF-SITE EVACUATION, as if warranted by changes in conditions.
LOSS OR FAILURE OF UTILITIES

This procedure addresses situations involving a loss of water, power or other utility on school grounds. This procedure should also be used in the event of the discovery of a gas leak, an exposed electrical line, or a break in sewer lines.

Procedure:

1. If water or an electrical line is broken, an effort should be made to turn off water or power to the affected area and to notify the School Administrator immediately.

2. Upon notice of loss of utilities, the School Administrator will initiate appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE, or EVACUATE BUILDING.

3. The School Administrator will notify the SCCOE Facilities & Maintenance Dept. or contact the appropriate utility department and provide the location and nature of emergency.

4. Local Maintenance Area personnel, working with school administration, will contact the affected utility company to determine whether their assistance is required and the potential length of time service will be interrupted.

5. The School Administrator will notify the Assistant Superintendent, Student Services and Support Division of the loss of utility service.

6. As needed, school emergency supplies will be utilized to compensate for the loss of a utility.

7. In the event of a loss of telephone services administration will use their cell phones to notify the Superintendent’s office of the loss of communication.

8. If the loss of utilities may generate a risk of explosion, such as a gas leak, refer to Explosion/Risk of Explosion.

9. In addition to the procedures listed above, the School Administrator will implement the plan below in the event utilities are disrupted.
Plan for a Loss of Power, Water and/or Gas:

Loss of power, water and/or gas does not constitute an emergency and classes should continue using temporary utilities and supplies unless otherwise directed by the office of the Superintendent. Report all power, water and/or gas losses immediately to the office of the Superintendent. The office of the Superintendent will notify the Facilities Department and all other appropriate resources as needed to respond to the utility interruption. If possible, the site should call the utility company to get information regarding the severity of the outage.

A leak of water and/or gas may constitute an emergency. Contact the office of the Superintendent for advice on how to respond immediately after evacuating students and staff from the affected areas. The office of the Superintendent will notify the Facilities & Maintenance Department and all other appropriate resources as needed to respond to the utility leak. If possible, the site should call the utility company for advice regarding the incident, request assistance if necessary, and request a follow-up inspection after repair. Only if there is a threat to person or property should the utilities be shut off by the site.

Toilets: A temporary toilet may be created in each classroom by using a trash receptacle, plastic bags, and where privacy is afforded.

Ventilation: Staff will prop open classroom and office doors to ensure proper ventilation.

Emergency Light: If needed, staff will be provided with additional lighting such as flash lights.
MOTOR VEHICLE CRASH

This procedure addresses situations involving a Motor Vehicle Crash on or immediately adjacent to school property. If a crash results in a fuel or chemical spill on school property, refer to Biological or Chemical Release. If a crash results in a utility interruption, refer to Loss or Failure of Utilities.

Procedure:

1. The School Administrator will initiate appropriate Immediate Response Actions, which may include DUCK AND COVER, SHELTER-IN-PLACE, EVACUATE BUILDING, or OFF-SITE EVACUATION.

2. If the School Administrator issues the EVACUATE BUILDING action, staff and students will evacuate the buildings using prescribed routes or other safe routes to the Assembly Area.

3. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.

4. The School Administrator will call 911, local police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and will provide the exact location (e.g., building, area) and nature of emergency.

5. The School Administrator will notify the Office of the Superintendent of the situation and will call the Media & Communications Department with information on this situation.

6. The Security/Utilities Team will secure the crash area to prevent unauthorized access. If the crash results in a utility interruption, refer to Loss or Failure of Utilities.

7. The School Administrator will direct the Fire Suppression and HazMat Team to organize fire suppression activities until the Fire Department arrives.

8. The First Aid/Medical Team will check for injuries to provide appropriate first aid.

9. Any affected areas will not be reopened until the agency provides clearance and the School Administrator issues authorization to do so.

10. The School Administrator will initiate an OFF-SITE EVACUATION if warranted by changes in conditions.
PSYCHOLOGICAL TRAUMA

Crisis management specifies actions during and subsequent to any emergency that may have a psychological impact on students and staff, such as an act of violence; the death of a student or staff member; an earthquake or other natural disaster; a serious environmental problem; or ethnic and racial tensions. Emergencies like those described above usually produce one or more of the following conditions:

- Temporary disruption of regular school functions and routines;
- Significant interference with the ability of students and staff to focus on learning;
- Physical and/or psychological injury to students and staff;
- Concentrated attention from the community and news media.

As a result of such emergencies, students and staff may exhibit a variety of psychological reactions. As soon as the physical safety of those involved has been insured, attention must turn to meeting the emotional and psychological needs of students and staff.

1. The School Administrator will establish a Psychological First Aid Team, which has primary responsibility for providing necessary assistance after all types of crises.

2. The Psychological First Aid Team will assess the range of crisis intervention services needed during and following an emergency.

3. The Psychological First Aid Team will provide direct intervention services.

4. If there is a need for additional assistance, the School Administrator will notify the Assistant Superintendent, Student Services and Support Division.

5. The Psychological First Aid Team will advise and assist the School Administrator to restore regular school functions as efficiently and as quickly as possible.

6. In performing their duties, the Psychological First Aid Team members will limit exposure to scenes of trauma, injury and death.

7. The Psychological First Aid Team will provide ongoing assessment of needs and follow-ups services as required.
SUSPECTED CONTAMINATION OF FOOD OR WATER

This procedure should be followed if site personnel report suspected contamination of food or water. This procedure applies where there is evidence of tampering with food packaging, observation of suspicious individuals in proximity to food or water supplies, or if notified of possible food/water contamination by SCCOE staff or local agencies. Indicators of contamination may include unusual odor, color, taste, or multiple employees with unexplained nausea, vomiting, or other illnesses.

Procedure:

1. The School Administrator will isolate the suspected contaminated food/water to prevent consumption, and will restrict access to the area.

2. The School Administrator will notify 911 and Santa Clara County Department of Environmental Health Services (408-918-3400).

3. The School Administrator will make a list of all potentially affected students and staff, and will provide the list to responding authorities.

4. The First Aid/Medical Team will assess the need for medical attention and provide first aid as appropriate.

5. The School Administrator will maintain a log of affected students and staff and their symptoms, the food/water suspected to be contaminated, the quantity and character of products consumed, and other pertinent information.

6. School police will notify the Assistant Superintendent, Student Services and Support Division who will conduct an onsite review to determine necessary follow-up actions including the need to notify other potentially affected SCCOE facilities.

7. The School Administrator and the Assistant Superintendent, Student Services and Support Division will confer with the Santa Clara County Department of Health Services before the resumption of normal operations.

8. The School Administrator will notify parents of the incident, as appropriate.
THREAT OF VIOLENCE

This procedure should be followed if site personnel receive a threat that may target an individual, a particular group or the entire school community. Such threats may be received by written note, e-mail communication or phone call.

Procedure:

1. The School Administrator will identify the type of threat and attempt to determine the individual(s) making the threat.

2. The School Administrator will call 911, local police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and will provide the exact location (e.g., building, area) and nature of emergency.

3. The School Administrator shall assemble a School Threat Assessment Team that includes a local police officer.

4. The School Threat Assessment Team will assess the warning signs, risk factors, stabilizing factors and potential precipitating events to arrive at a categorical description of the risk for a particular point in time. There are five categories of risk as described by the Santa Clara County Sheriff’s Dept.

   - Category 1: High violence potential; qualifies for arrest or hospitalization.
   - Category 2: High violence potential; does not qualify for arrest or hospitalization.
   - Category 3: Insufficient evidence for violence potential; sufficient evidence for the repetitive/intentional infliction of emotional distress upon others.
   - Category 4: Insufficient evidence for violence potential; sufficient evidence for the unintentional infliction of emotional distress upon others.
   - Category 5: Insufficient evidence for violence potential; insufficient evidence for emotional distress upon others.

5. In categorizing the risk, the School Threat Assessment Team will attempt to answer two questions: (1) is the individual moving on a path towards violent action? (2) Is there evidence to suggest movement from thought to action?

6. The School Threat Assessment Team will assess the warning signs by evaluating the associated oral, written or electronic threatening communications.

7. The School Threat Assessment Team will recommend appropriate action to the School Administrator.
8. As soon as the physical safety of those involved has been insured, attention will turn to meeting the emotional and psychological needs of students and staff. Crisis intervention may be necessary and appropriate.
UNLAWFUL DEMONSTRATION/WALKOUT

An Unlawful Demonstration/Walkout is any unauthorized assemblage on or off campus by staff or students for the purpose of protest or demonstration.

Procedure

1. Upon indication that an unlawful demonstration or walkout is about to begin, personnel should immediately notify the School Administrator.

2. The School Administrator will initiate appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE.

3. The School Administrator will notify the Local Police and/or Santa Clara County Sheriff’s Dept. (408-293-2311) and the Assistant Superintendent, Student Services and Support Division.

4. Students not participating in the demonstration or walkout should be kept within their classroom until further notice by the School Administrator. Teachers will close and lock classroom door. Students and staff should be protected from flying glass in the event windows are broken, by closing drapes and venetian blinds in rooms so equipped.

5. The School Administrator shall designate a staff member to document and keep accurate records of the events, conversations and actions.

6. All media inquiries will be referred to the Santa Clara County Office of Education Media & Communications Department (408-453-6514).

7. The School Administrator should proceed in good judgment on basis of police or other legal advice, in taking action to control and resolve the situation.

8. The School Administrator will notify parents of the incident, as appropriate.

FIRE/EMERGENCY DRILLS

Evacuation:

1. All buildings and areas will be evacuated according to the site plan if:
   a) The regular site fire alarm is activated. (Intermittent short bells for 10 seconds followed by 5 seconds of silence; sequence repeated for at least 1 minute).
   b) The alternate alarm is activated. (To be defined by the site administrator).

2. Fire, Rescue and Security team will make certain that all rooms and areas are evacuated.

3. Portable communication equipment is made available for emergency use.

4. Determine possibility and location of fire. (Fire, Rescue and Security Team responsibility).

5. Give all-clear signal (one long bell) if there is no fire.

6. Reset alarm system within a reasonable length of time (5 minutes).

Fire within a Building

In the event a fire is detected within a building, the following actions will be taken:

1. Sound the fire alarm. This will automatically implement LEAVE BUILDING.*

2. Assemble staff and students at a safe distance from the fire and away from the fire-fighting equipment.

3. Protect school’s vital records.

4. Render First Aid as necessary.

5. Notify the Fire Department and specify exact meeting place and designate a person to meet the responding engine companies.

6. Notify the local Police or Sheriff’s office.

7. If it is possible for adults to fight small fires without endangering life, do so. Remember, the first responsibility is to protect and supervise students/staff. It is better to let the fire burn rather than leave students unattended.

8. Keep access roads and gates open for emergency vehicles.

The nameplate on your extinguisher shows the symbols designating the types of fires on which it should be used. Read it carefully.

Your fire extinguisher is basically a storage container for a special fire extinguisher agent. When the extinguisher is operated, the agent is expelled by a continuous stream of pressure stored in the container.

DO NOT INCINERATE BY THROWING INTO A FIRE. IT MAY EXPLODE.

Operating instructions and cautions for each extinguisher are printed on the nameplate. Read and understand these instructions BEFORE A FIRE OCCURS.

Additional Emergency Procedures

If the area or building is being evacuated, close all doors on your way out, if it is safe to do so. Leave lights on.

DO NOT USE ELEVATORS. If you are in an elevator, leave it at the nearest floor and exit by the stairs. If the elevator stops at a floor where there is visible smoke, the elevator’s electric eye may sense the smoke as an elevator passenger and prevent closure of the elevator doors. In this case, depress and keep depressed the red button at the left of the elevator door which reads “TO BE USED IN CASE OF FIRE ONLY”. This button will deactivate the electric eye and allow the elevator to descend to the ground floor.

Meet Fire Department personnel at the entrance of the building to guide them to the fire.

The SCCOE will defend employees who file suspected child abuse or dependent adult abuse reports in the course and scope of their employment consistent with Board policy, administrative regulations, and the law against any actions or claims that may be a result of such report.

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child or dependent adult whom the mandated reporter knows or reasonably suspects has been the victim of abuse or neglect. Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on
evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11166.05, 11167)

Any person shall notify a law enforcement agency if he/she reasonably believes that he/she has observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury, where the victim is a child under age 14. (Penal Code 152.3, 288)

**Responsibility for Reporting**

The reporting duties of mandated reporters are individual and cannot be delegated to another person. (Penal Code 11166)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect or abuse or neglect of a dependent adult, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166 and Welfare and Institutions Code 15630)

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166 and Welfare and Institutions Code 15630)

Any person not identified as a mandated reporter by law who has knowledge of or observes a child or dependent adult whom he/she knows or reasonably suspects has been a victim of abuse or neglect may report the known or suspected instance of abuse or neglect to the appropriate agency. The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

Board Policy

Discipline

BP 5144 – Discipline

Students

The Santa Clara County Board of Education (County Board) desires to prepare students for responsible citizenship by fostering self-discipline and personal responsibility. The County Board believes that high expectations for student behavior, effective classroom management, provision of appropriate intervention and support, and parent involvement can minimize the need for disciplinary measures that exclude students from instruction as means for correcting student misbehavior. Staff shall use preventative measures and positive conflict resolution techniques whenever possible.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5131 - Conduct)
(cf. 5131.2 - Bullying)
(cf. 5137 - Positive School Climate)
(cf. 5145.9 - Hate-Motivated Behavior)
(cf. 6020 - Parent Involvement)

The Santa Clara County Office of Education (SCCOE) has established policies and standards of behavior in order to promote learning and protect the safety and well-being of all students. When these policies and standards are violated it may be necessary to remove a student from SCCOE programs.

The County Superintendent of Schools (County Superintendent) or designee shall design a complement of effective, age-appropriate strategies for maintaining a positive school climate and correcting student misbehavior at SCCOE schools. The strategies shall focus on providing students with needed supports; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of SCCOE discipline policies and practices.

In addition, the County Superintendent or designee's strategies shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures as a means for correcting student misbehavior.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only
when required by law or when other means of correction have been documented to have failed. (Education Code 48900.5)

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5144.1 - Suspension and Expulsion/Due Process)
(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))
(cf. 6159.4 - Behavioral Interventions for Special Education Students)
(cf. 6164.5 - Student Success Teams)

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be those specified in law and/or administrative regulation.

The SCCOE shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The County Superintendent or designee shall comply with procedures for notices and appeals as specified in law and/or administrative regulation. (Education Code 48911, 48915, 48915.5)

The Superintendent or designee shall create a model discipline matrix that lists violations and the consequences for each as allowed by law.

The administrative staff at each site may develop disciplinary rules to meet the school's particular needs consistent with law, Board policy, and SCCOE regulations. The Board, at an open meeting, shall review the approved school discipline rules for consistency with Board policy and state law. Site-level disciplinary rules shall be included in the SCCOE's comprehensive safety plan. (Education Code 35291.5, 32282)

(cf. 0450 - Comprehensive Safety Plan)
(cf. 9320 - Meetings and Notices)

At all times, the safety of students and staff and the maintenance of an orderly school environment shall be priorities in determining appropriate discipline. When misconduct occurs, staff shall attempt to identify the causes of the student's behavior and implement appropriate discipline. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the SCCOE’s nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 - Sexual Harassment)

SCCOE goals for improving school climate shall be included in the SCCOE’s local control and
accountability plan, as required by law.

Administrative Regulation
Suspension and Expulsion/Due Process (Students with Disabilities)

AR 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities)

Students

A student identified as an individual with a disability pursuant to the Individuals with Disabilities Education Act (IDEA), 20 USC 1400-1482, is subject to the same grounds for suspension and expulsion which apply to students without disabilities.

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been officially identified as a student with a disability pursuant to IDEA and who has engaged in behavior that violated the Santa Clara County Office of Education code of student conduct may assert any of the protections under IDEA only if the SCCOE had knowledge that the student is disabled before the behavior that precipitated the disciplinary action occurred. (20 USC 1415(k) (5); 34 CFR 300.534)

The SCCOE shall be deemed to have knowledge that the student has a disability if one of the following conditions exists: (20 USC 1415(k) (5); 34 CFR 300.534)

1. The parent/guardian has expressed concern to SCCOE supervisory or administrative personnel in writing, or to a teacher of the student, that the student is in need of special education or related services.

2. The parent/guardian has requested an evaluation of the student for special education pursuant to 34 CFR 300.300-300.311.

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

3. The teacher of the student or other SCCOE personnel has expressed specific concerns directly to the SCCOE director of special education or to other supervisory SCCOE personnel about a pattern of behavior demonstrated by the student.

The SCCOE would be deemed to not have knowledge that a student is disabled if the parent/guardian has not allowed the student to be evaluated for special education services or has refused services. In addition, the SCCOE would be deemed to not have knowledge if the
SCCOE conducted an evaluation pursuant to 34 CFR 300.300-300.311 and determined that the student was not an individual with a disability. When the SCCOE is deemed to not have knowledge of the disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k) (5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k) (5); 34 CFR 300.534)

**Suspension**

The Santa Clara County Superintendent of Schools or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (34 CFR 300.530; Education Code 48903)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education program (IEP) has been suspended during the school year.

(cf. 6159 - Individualized Education Program)

The SCCOE shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A change of placement shall be deemed to have occurred under any of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.

2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
   a) The series of removals total more than 10 school days in a school year.
   b) The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
   c) Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.
If the removal has been determined to be a change of placement as specified in items #1-2 above, the student's IEP team shall determine the appropriate educational services. (34 CFR 300.530)

**Services during Suspension**

Any student suspended for more than 10 school days in the same school year shall continue to receive services during the term of the suspension. School personnel, in consultation with at least one of the student's teachers, shall determine the extent to which services are needed as provided in 34 CFR 300.101(a), so as to enable the student to continue to participate in the general education curriculum in another setting and to progress toward meeting the goals as set out in his/her IEP. (20 USC 1412(a)(1)(A); 34 CFR 300.530)

If a student with a disability is excluded from school bus transportation, the student shall be provided with an alternative form of transportation at no cost to the student or his/her parent/guardian, provided that transportation is specified in his/her IEP. (Education Code 48915.5)

*(cf. 3541.2 - Transportation for Students with Disabilities)*

**Interim Alternative Educational Placement Due to Dangerous Behavior**

The SCCOE may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard to whether the behavior is a manifestation of the student's disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function: (20 USC 1415(k) (1) (G); 34 CFR 300.530)

1. Carries or possesses a weapon, as defined in 18 USC 930
2. Knowingly possesses or uses illegal drugs
3. Sells or solicits the sale of a controlled substance as identified in 21 USC 812(c), Schedules I-V
4. Inflicts serious bodily injury upon another person as defined in 18 USC 1365

The student's interim alternative educational setting shall be determined by his/her IEP team. (20 USC 1415(k) (1) (G); 34 CFR 300.531)

On the date the decision to take disciplinary action is made, the parents/guardians of the student shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k) (1) (H); 34 CFR 300.530)
A student who has been removed from his/her current placement because of dangerous behavior shall receive services, although in another setting, to the extent necessary to allow him/her to participate in the general education curriculum and to progress toward meeting the goals set out in his/her IEP. As appropriate, the student shall also receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k) (1) (D); 34 CFR 300.530)

Manifestation Determination

The following procedural safeguards shall apply when a student with a disability is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the SCCOE code of conduct:

1. Notice: On the date the decision to take disciplinary action is made, the parents/guardians of the student shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

(cf. 5145.6 - Parental Notifications)
(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

2. Manifestation Determination Review: Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k) (1)(E); 34 CFR 300.530)

At the manifestation determination review, the SCCOE, the student's parent/guardian, and relevant members of the IEP team (as determined by the SCCOE and parent/guardian) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k) (1) (E); 34 CFR 300.530)

a) Caused by or had a direct and substantial relationship to the student's disability

b) A direct result of the SCCOE failure to implement the student's IEP, in which case the SCCOE shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that a condition in either #a or #b above was met, the conduct shall then be determined to be a manifestation of the student's disability. (20 USC 1415(k) (1) (E); 34 CFR 300.530)
3. Determination that Behavior is a Manifestation of the Student's Disability: When the conduct has been determined to be a manifestation of the student's disability, the IEP team shall conduct a functional behavioral assessment, unless a functional behavioral assessment had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavioral intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and SCCOE agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

4. Determination that Behavior is Not a Manifestation of the Student's Disability: If the manifestation determination review team determines that the student's behavior was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

The student shall receive services to the extent necessary to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. As appropriate, the student also shall receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

(cf. 6158 - Independent Study)
(cf. 6185 - Community Day School)

Due Process Appeals

If the parent/guardian disagrees with any SCCOE decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The SCCOE may request a hearing if the SCCOE believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b). (20 USC 1415(k)(3); 34 CFR 300.532)
Whenever a hearing is requested as specified above, the parent/guardian or the SCCOE shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

If the student's parent/guardian or the SCCOE has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and SCCOE agree otherwise. (20 USC 1415(k) (4); 34 CFR 300.533)

Readmission

Readmission procedures for students with disabilities shall be the same as those used for all students. Upon readmission, an IEP team meeting shall be convened.

Suspension of Expulsion

Santa Clara County Board of Education's criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students. (Education Code 48917)

Notification to Law Enforcement Authorities

Law enforcement notification requirements involving students with disabilities shall be the same as those specified for all students in AR 5144.1 - Suspension and Expulsion/Due Process.

(cf. 5131.7 - Weapons and Dangerous Instruments)

Report to County Superintendent of Schools

The Chief Student Officer or designee shall report to the County Superintendent of Schools when any special education student has been expelled or suspended for more than 10 school days. The report shall include the student's name, last known address, and the reason for the action. (Education Code 48203)

AR 5145.7 - Sexual Harassment

Students

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the educational setting, when made on the basis of sex and under any of the following conditions:

(Education Code 212.5; 5 CCR 4916)

1. Submission to the conduct is explicitly or implicitly made a term or condition of a student's academic status or progress

2. Submission to or rejection of the conduct by a student is used as the basis for academic decisions affecting the student

3. The conduct has the purpose or effect of having a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment

4. Submission to or rejection of the conduct by the student is used as the basis for any decision affecting the student regarding benefits and services, honors, programs, or activities available at or through any Santa Clara County Office of Education program or activity

Examples of types of conduct which are prohibited and which may constitute sexual harassment include, but are not limited to:

1. Unwelcome leering, sexual flirtations, or propositions

2. Unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions

3. Graphic verbal comments about an individual's body or overly personal conversation

4. Sexual jokes, derogatory posters, notes, stories, cartoons, drawings, pictures, obscene gestures, or computer-generated images of a sexual nature

5. Spreading sexual rumors
6. Teasing or sexual remarks about students enrolled in a predominantly single-sex class

7. Massaging, grabbing, fondling, stroking, or brushing the body

8. Touching an individual's body or clothes in a sexual way

9. Impeding or blocking movements or any physical interference with school activities when directed at an individual on the basis of sex

10. Displaying sexually suggestive objects

School-Level Complaint Process/Grievance Procedure

1. Notice and Receipt of Complaint: Any student who believes he/she has been subjected to sexual harassment or who has witnessed sexual harassment may file a complaint with any school employee. Within 24 hours of receiving a complaint, the school employee shall report it to a SCCOE Principal. In addition, any school employee who observes any incident of sexual harassment involving a student shall, within 24 hours, report this observation to the Principal, whether or not the victim files a complaint.

In any case of sexual harassment involving the Principal to whom the complaint would ordinarily be made, the employee who receives the student’s report or who observes the incident shall instead report to the Santa Clara County Superintendent of Schools or designee.

2. Initiation of Investigation: The Principal shall initiate an impartial investigation of an allegation of sexual harassment within five school days of receiving notice of the harassing behavior, regardless of whether a formal complaint has been filed. The SCCOE shall be considered to have "notice" of the need for an investigation upon receipt of information from a student who believes he/she has been subjected to harassment, the student's parent/guardian, and an employee who received a complaint from a student, or any employee or student who witnessed the behavior.

If the Principal receives an anonymous complaint or media report about alleged sexual harassment, he/she shall consider the specificity and reliability of the information, the seriousness of the alleged incident, and whether any individuals can be identified who were subjected to the alleged harassment in determining whether it is reasonable to pursue an investigation.

3. Initial Interview with Student: When a student or parent/guardian has complained or provided information about sexual harassment, the Principal shall describe the grievance procedure and discuss what actions are being sought by the student in
response to the complaint. The student who is complaining shall have an opportunity
to describe the incident, identify witnesses who may have relevant information,
provide other evidence of the harassment, and put his/her complaint in writing. If the
student requests confidentiality, he/she shall be informed that such a request may
limit the SCCOE ability to investigate.

4. Investigation Process: The Principal shall keep the complaint and allegation
confidential, except as necessary to carry out the investigation or take other
subsequent necessary action. (5 CCR 4964)

The Principal shall interview individuals who are relevant to the investigation,
including, but not limited to, the student who is complaining, the person accused of
harassment, anyone who witnessed the reported harassment, and anyone mentioned
as having relevant information. The Principal may take other steps such as reviewing
any records, notes, or statements related to the harassment or visiting the location
where the harassment is alleged to have taken place.

When necessary to carry out his/her investigation or to protect student safety, the
Principal also may discuss the complaint with the County Superintendent or designee,
the parent/guardian of the student who complained, the parent/guardian of the
alleged harasser if the alleged harasser is a student, a teacher or staff member whose
knowledge of the students involved may help in determining who is telling the truth,
law enforcement and/or child protective services, and legal counsel or SCCOE risk
manager.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

5. Interim Measures: The Principal shall determine whether interim measures are
necessary during and pending the results of the investigation, such as placing students
in separate classes or transferring a student to a class taught by a different teacher.

6. Optional Mediation: In cases of student-to-student harassment, when the student
who complained and the alleged harasser so agree, the Principal may arrange for
them to resolve the complaint informally with the help of a counselor, teacher,
administrator, or trained mediator. The student who complained shall never be asked
to work out the problem directly with the accused person unless such help is provided
and both parties agree, and he/she shall be advised of the right to end the informal
process at any time.

7. Factors in Reaching a Determination: In reaching a decision about the complaint, the
Principal may take into account:

   a. Statements made by the persons identified above
   b. The details and consistency of each person's account
   c. Evidence of how the complaining student reacted to the incident
d. Evidence of any past instances of harassment by the alleged harasser
e. Evidence of any past harassment complaints that were found to be untrue

To judge the severity of the harassment, the Principal may take into consideration:

a. How the misconduct affected one or more students' education
b. The type, frequency, and duration of the misconduct
c. The identity, age, and sex of the harasser and the student who complained, and the relationship between them
d. The number of persons engaged in the harassing conduct and at whom the harassment was directed
e. The size of the school, location of the incidents, and context in which they occurred
f. Other incidents at the school involving different students

8. Written Report on Findings and Follow-Up: No more than 30 days after receiving the complaint, the Principal shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Principal shall notify the student who complained and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If sexual harassment occurred, the report shall also include any corrective actions that have or will be taken to address the harassment and prevent any retaliation or further harassment. This report shall be presented to the student who complained, the person accused, the parents/guardians of the student who complained and the student who was accused, and the County Superintendent or designee.

In addition, the Principal shall ensure that the harassed student and his/her parent/guardian are informed of the procedures for reporting any subsequent problems. The Principal shall also make follow-up inquiries to see if there have been any new incidents or retaliation and shall keep a record of this information.

**Enforcement of SCCOE Policy**

The County Superintendent or designee shall take appropriate actions to reinforce the sexual harassment policy. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti

(cf. 5131.5 - Vandalism and Graffiti)

2. Providing training to students, staff, and parents/guardians about how to recognize harassment and how to respond
3. Disseminating and/or summarizing the SCCOE policy and regulation regarding sexual harassment

4. Consistent with the laws regarding the confidentiality of student and personnel records, communicating the school's response to parents/guardians and the community

5. Taking appropriate disciplinary action

   In addition, disciplinary measures may be taken against any person who is found to have made a complaint of sexual harassment which he/she knew was not true.

Dress and Grooming

BP 5132 - Dress and Grooming

Students

The Santa Clara County Board of Education believes that appropriate dress and grooming contribute to a productive learning environment. The County Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process.

(cf. 4119.22 - Dress and Grooming)
(cf. 5145.2 - Freedom of Speech/Expression)

Students and parents/guardians shall be informed about dress and grooming standards at the beginning of the school year and whenever these standards are revised. A student who violates these standards shall be subject to appropriate disciplinary action.

(cf. 5144 - Discipline)

Gang-Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a dress code may be included as part of the school safety plan and must be presented to the County Board for approval. The County Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 5136 - Gangs)

Uniforms

In order to promote student safety and discourage theft, peer rivalry and/or gang activity, the principal, staff and parents/guardians at a school may establish a reasonable dress code requiring students to wear uniforms. Such a dress code may be included as part of the school safety plan and must be presented to the County Board for approval. The County Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.
If a school's plan to require uniforms is adopted, the Santa Clara County Superintendent of Schools or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against or denied attendance to school if their parents/guardians so decide. (Education Code 35183)

The County Superintendent or designee shall ensure that resources are identified to assist economically disadvantaged students in obtaining uniforms.

Dress and Grooming

AR 5132 - Dress and Grooming

Students

In cooperation with teachers, students and parents/guardians, the principal or designee shall establish school rules governing student dress and grooming which are consistent with law, Board policy and administrative regulations. These school dress codes shall be regularly reviewed.

(cf. 0420 - School Plans/Site Councils)

Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

In addition, the following guidelines shall apply to all regular school activities:

1. Shoes must be worn at all times. Sandals must have heel straps. Thongs or backless shoes or sandals are not acceptable.

2. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.

3. Hats, caps and other head coverings shall not be worn indoors.

4. Clothes shall be sufficient to conceal undergarments at all times. See-through or fishnet fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.

5. Gym shorts may not be worn in classes other than physical education.

6. Hair shall be clean and neatly groomed. Hair may not be sprayed by any coloring that would drip when wet.

Coaches and teachers may impose more stringent dress requirements to accommodate the special needs of certain sports and/or classes.
(cf. 3260 - Fees and Charges)

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

(cf. 5121 - Grades/Evaluation of Student Achievement)

The principal, staff, students and parent/guardians at each school may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.

Uniforms

In schools where a school wide uniform is required, the principal, staff and parents/guardians of the individual school shall jointly select the specific uniform to be worn. (Education Code 35183)

At least six months before a school uniform policy is implemented, the principal or designee shall notify parents/guardians of this policy. (Education Code 35183)

Parents/guardians shall also be informed of their right to have their child exempted.

The principal or designee shall also repeat this notification at the end of the school year so that parents/guardians are reminded before school clothes are likely to be purchased.

The Santa Clara County Superintendent of Schools or designee shall establish criteria for determining student eligibility for financial assistance when purchasing uniforms.

The County Superintendent or designee shall establish a method for recycling or exchanging uniforms as students grow out of them.
Students who participate in a nationally recognized youth organization shall be allowed to wear organization uniforms on days when the organization has a scheduled meeting. (Education Code 35183)

Students

The Santa Clara County Board of Education desires to protect students from risks posed by exposure to infectious diseases while providing an appropriate education for all students. The County Board recognizes that prevention and education are the most effective means of limiting the spread of infectious diseases.

Infectious Disease Prevention

The Santa Clara County Superintendent of Schools or designee shall collaborate with parents/guardians and local health agencies and organizations to develop a comprehensive approach to disease prevention that promotes preventative measures and education of students and staff.

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)
(cf. 5141.6 - School Health Services)

The County Superintendent or designee shall regularly review resources available from health experts to ensure that Santa Clara County Office of Education programs are based on the most up-to-date information.

The County Superintendent or designee shall ensure that the SCCOE comprehensive health education program provides information about the prevention of infectious diseases, including the nature of bloodborne pathogens and their transmission, as well as information to help prevent the spread of contagious diseases, such as a pandemic influenza. He/she shall also ensure that each school has sufficient infection prevention supplies that are easily accessible to staff.

(cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)
(cf. 6142.8 - Comprehensive Health Education)
Universal Precautions

Students and staff shall observe universal precautions in order to prevent exposure to bloodborne pathogens and to prevent the spread of infectious diseases.

(cf. 4119.42/4219.42/4319.42 - Exposure Control Plan for Bloodborne Pathogens)
(cf. 4119.43/4219.43/4319.43 - Universal Precautions)

The County Superintendent or designee shall inform students of the precautions to be used in cases of exposure to blood or other body fluids through injury, accident, or classroom instruction.

(cf. 5141 - Health Care and Emergencies)
(cf. 6145.2 - Athletic Competition)

Students with Infectious Diseases

The County Superintendent or designee shall exclude students only in accordance with law, Board policy, and administrative regulation. Because bloodborne pathogens such as hepatitis B virus, hepatitis C virus, and human immunodeficiency virus (HIV) are not casually transmitted, the presence of infectious conditions of this type is not, by itself, sufficient reason to exclude students from attending school.

(cf. 5112.2 - Exclusions from Attendance)
(cf. 6164.6 - Identification and Education Under Section 504)

Parents/guardians are encouraged to inform the County Superintendent or designee if their child has an infectious disease so that school staff may work cooperatively with the student's parents/guardians to minimize the child's exposure to other diseases in the school setting. The County Superintendent or designee shall ensure that student confidentiality rights are strictly observed in accordance with law.

(cf. 4331 - Staff Development)
(cf. 5136 - Gangs)

Students may submit a verbal or written complaint of conduct they consider to be bullying to a teacher or administrator. Complaints of bullying shall be investigated and resolved in accordance with site-level grievance procedures specified in AR 5145.7 - Sexual Harassment.
When a student is suspected of or reported to be using electronic or digital communications to engage in cyberbullying against other students or staff, or to threaten SCCOE property, the investigation shall include documentation of the activity, identification of the source, and specific facts or circumstances that explain the impact or potential impact on school activity, school attendance, or the targeted student’s educational performance.

Students shall be encouraged to save and print any messages sent to them that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated.

Any student who engages in cyberbullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline in accordance with SCCOE policies and regulations. If the student is using a social networking site or service that has terms of use that prohibit posting of harmful material, the County Superintendent or designee also may file a complaint with the Internet site or service to have the material removed.

To encourage consistent health messages between the home and school environment, the County Superintendent or designee may disseminate health information to parents/guardians through SCCOE or school newsletters, handouts, parent/guardian meetings, the SCCOE or school web trainings site, and other communications. Outreach to parents/guardians shall emphasize the relationship between student health and academic performance.
Nutrition Education and Physical Activity Goals

The Superintendent shall adopt goals for nutrition education, physical activity, and other school-based activities that are designed to promote student wellness in a manner that the SCCOE determines appropriate. (42 USC 1751 Note)

The SCCOE nutrition education and physical education programs shall be based on research, consistent with the expectations established in the state's curriculum frameworks and content standards, and designed to build the skills and knowledge that all students need to maintain a healthy lifestyle.

Nutrition education shall be provided as part of the health education program in grades K-12 and, as appropriate, shall be integrated into other academic subjects in the regular educational program. Nutrition education also may be offered through before- and after-school programs.

All students in grades K-12 shall be provided opportunities to be physically active on a regular basis. Opportunities for moderate to vigorous physical activity shall be provided through physical education, recess, school athletic programs, extracurricular programs, before- and/or after-school programs, and other structured and unstructured activities.

SCCOE shall encourage staff to serve as positive role models. He/she shall promote and may provide opportunities for regular physical activity among employees. Professional development may include instructional strategies that assess health knowledge and skills and promote healthy behaviors.
SCCOE prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machine fronts, logos, scoreboards, school supplies, advertisements in school publications, coupon or incentive programs, or other means.  
(cf. 1325 - Advertising and Promotion)

**Nutritional Guidelines for Foods Available at School**

The SCCOE shall adopt nutritional guidelines for all foods available on each campus during the school day, with the objectives of promoting student health and reducing childhood obesity.  (42 USC 1751 Note)

SCCOE believes that foods and beverages available to students at SCCOE schools should support the health curriculum and promote optimal health. Nutritional standards adopted by the SCCOE for all foods and beverages sold to students, including foods and beverages provided through the SCCOE food service program, student stores, vending machines, fundraisers, or other venues, shall meet or exceed state and federal nutritional standards.

(cf. 5148 - Child Care and Development)  
(cf. 5148.3 - Preschool/Early Childhood Education)

SCCOE shall encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also shall encourage school staff to avoid the use of non-nutritious foods as a reward for students' academic performance, accomplishments, or classroom behavior.  
(cf. 1230 - School-Connected Organizations)

School staff shall encourage parents/guardians or other volunteers to support the SCCOE nutrition education program by considering nutritional quality when selecting any snacks which they may donate for occasional class parties and by limiting foods or beverages that do not meet nutritional standards to no more than one such food or beverage per party. Class parties or celebrations shall be held after the lunch period when possible.

**Guidelines for Reimbursable Meals**

Foods and beverages provided through federally reimbursable school meal programs shall meet or exceed federal regulations and guidance issued pursuant to 42 USC 1758(f)(1), 1766(a), and 1779(a) and (b), as they apply to schools. (42 USC 1751 Note)
In order to maximize the SCCOE ability to provide nutritious meals and snacks, all SCCOE schools shall participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs, to the extent possible.

(cf. 3553 - Free and Reduced Price Meals)

Program Implementation and Evaluation

The County Superintendent shall establish a plan for measuring implementation of this policy. The County Superintendent shall designate at least one person within the SCCOE and at each school who is charged with operational responsibility for ensuring that each school site implements this policy. (42 USC 1751 Note)

(cf. 0500 - Accountability)

To determine whether the policy is being effectively implemented districtwide and at each SCCOE school, the following indicators shall be used:

1. Descriptions of the SCCOE nutrition education, physical education, and health education curricula
2. Number of minutes of physical education instruction offered at each grade span
3. Number and type of exemptions granted from physical education
4. Results of the state's physical fitness test

Uniform Complaint Procedures

BP 1312.3 - Uniform Complaint Procedures

Community Relations

The Santa Clara County Board of Education (County Board) recognizes that the Santa Clara County Office of Education (SCCOE) has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The SCCOE shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations and/or alleging discrimination, harassment, intimidation and/or bullying, and seek to resolve those complaints in accordance with the procedures set out in 5 CCR 4600-4687 and in accordance with the policies and procedures of the County Board. The SCCOE shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination, harassment, intimidation, and/or bullying against any protected group as identified in Education Code section 200 and 220 and in Government Code section 11135, including any actual or perceived characteristics as set forth in Penal Code section 422.55 or on the basis of a person’s association with a person or group with one or more of these actual or perceived characteristics in any program or activity conducted by the SCCOE, which is funded directly by, or that receives or benefits from any state financial assistance. (Government Code 11135; Education Code 200, 220, 234.1; 5 CCR 4610; Penal Code 422.55)

Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education, consolidated categorical aid programs, migrant education, career technical education and training programs, child care and development programs, child nutrition programs, special education programs, federal school safety planning requirements, and the requirement and implementation of the Local Control Funding Formula (LCFF) including the implementation of the Local Control and Accountability Plan (LCAP). (5 CCR 4610)

An LCAP complaint may be filed anonymously if the complaint provided evidence or information leading to evidence to support an allegation of noncompliance.

Uniform complaint procedures shall also be used when addressing complaints alleging violations pertaining to K-12 pupil fees where it is prohibited for a pupil who is enrolled in a K-12 public school to be required to pay a pupil fee for participation in a K-12 educational activity, as defined and/or specified in Assembly Bill 1575 (Education Code 49011-49013).
Pupil Fees

A pupil enrolled in a SCCOE school shall not be required to pay a pupil fee for participation in an educational activity.

All of the following requirements apply to the prohibition identified above:

All supplies, materials, and equipment needed to participate in educational activities shall be provided to pupils free of charge.

A fee waiver policy shall not make a pupil fee permissible.

The SCCOE shall not establish a two-tier educational system by requiring a minimal educational standard and also offering a second, higher educational standard that pupils may only obtain through payment of a fee or purchase of additional supplies that the school SCCOE or school does not provide.

The SCCOE shall not offer course credit or privileges related to educational activities in exchange for money or donations of goods or services from a pupil or a pupil's parents or guardians, and a school district or school shall not remove course credit or privileges related to educational activities, or otherwise discriminate against a pupil, because the pupil or the pupil's parents or guardians did not or will not provide money or donations of goods or services to the school district or school.

The SCCOE shall not prohibit the solicitation of voluntary donations of funds or property, voluntary participation in fundraising activities, or SCCOE schools, and other entities from providing pupils prizes or other recognition for voluntarily participating in fundraising activities.

This is declarative of existing law and shall not be interpreted to prohibit the imposition of a fee, deposit, or other charge otherwise allowed by law.

A complaint of noncompliance with the requirements of this pupil fee law may be filed with the principal of a school under the Uniform Complaint Procedures set forth in Chapter 5.1 (5 CCR 4600) of Division 1.

A pupil fees complaint and/or an LCAP complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees. (Education Code 49013(b), 52075(b))

A pupil fee complaint shall be filed no later than one year from the date the alleged violation occurred. (5 CCR 4630(c)(2))

A complainant not satisfied with the SCCOE's decision may appeal the decision to the California Department of Education and shall receive a written appeal decision within 60 days of the department's receipt of the appeal.
If the SCCOE finds merit in a complaint, or the California Department of Education finds merit in an appeal, the SCCOE shall provide a remedy to all affected pupils, parents, and guardians that, where applicable, includes reasonable efforts to ensure that the SCCOE will attempt in good faith by engaging in reasonable efforts to identify and fully reimburse all pupils, parents, and guardians who paid a pupil fee within one year prior to the filing of the complaint. (5CCR 4600(u))

Information regarding the requirements of this pupil fee law shall be included in the annual notification distributed to pupils, parents and guardians, employees, and other interested parties pursuant to 5 CCR 4622.

The SCCOE shall establish local policies and procedures to implement the provisions of this law. (Education Code 49011-49013)

The SCCOE shall have the primary responsibility to insure compliance with applicable state and federal laws and regulations. (5 CCR 4620)

The SCCOE shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations and/or alleging discrimination, harassment, intimidation and/or bullying, and seek to resolve those complaints in accordance with the SCCOE's Uniform Complaint Procedures. (5 CCR 4610, 4620, and 4621)

The County Board designates the following compliance officers to receive and investigate complaints and ensure SCCOE compliance with law:

Personnel related:

Chief Human Resources Officer
1290 Ridder Park Drive
San Jose, CA 95131
(408) 453-6843

Student related:

The Chief Human Resources Officer shall meet the notification requirements of 5 CCR 4622, including the annual dissemination of SCCOE complaint procedures and information about available appeals, civil law remedies and conditions under which a complaint may be taken directly to the California Department of Education. The Chief Human Resources Officer shall ensure that complainants understand that they may pursue other remedies, including actions before civil courts or other public agencies.

There will be annual dissemination of a written notice of the SCCOE’s complaint procedures to students, employees, parents or guardians of its students, school and SCCOE advisory committees, appropriate private school officials or representatives, and other interested parties. (5 CCR 4622)

Additionally, the SCCOE shall use uniform complaint procedures to address complaints regarding insufficiency of instructional materials, emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff, and/or teacher vacancy or misassignment issues as provided in AR 1312.4.

(cf. 6200 - Adult Education)
(cf. 52075 - Local Control and Accountability Plans)

The County Board encourages the early, informal resolution of complaints at the site level whenever possible.

Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures.
Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstructions of the investigation, may result in the dismissal of the complaint because of lack of evidence to support the allegations. (5 CCR 4631)

Refusal by the SCCOE to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The SCCOE complaint will be investigated and a written report will be issued to the complainant within 60 days from the date of the receipt of the complaint, unless the complainant agrees in writing to an extension of time.

Complainants will receive written acknowledgement identifying the person(s), employee(s), or agency positions(s), or unit(s) responsible for receiving complaints, investigating complaints and ensuring SCCOE compliance. The written acknowledgement will also include a statement that ensures that such person(s), employee(s), position(s), or unit(s) responsible for compliance and/or investigation shall be knowledgeable about the laws/programs that he/she is assigned to investigate. (5 CCR 4621, 4631)

Complainants have the right to pursue civil law remedies under state or federal discrimination, harassment, intimidation or bullying laws, if applicable. (5 CCR 4622)

Unlawful discrimination, harassment, intimidation or bullying complaints shall be filed no later than six months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying. (5 CCR 4630)

The SCCOE will provide an opportunity for complainants and/or representatives to present evidence or information.

The report will contain the following elements: (5 CCR 4631):

1. The findings of fact based on the evidence gathered.
2. Conclusion of law.
3. Disposition of the complaint.
4. The rationale for such a disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the SCCOE's decision to the California Department of Education (CDE).

7. Procedures to be followed for initiating an appeal to CDE.

The SCCOE ensures that complainants are protected from retaliation and that the identity of a complainant alleging discrimination, harassment, intimidation and/or bullying will remain confidential as appropriate.

The County Board acknowledges and respects every individual's right to privacy. Discrimination, harassment, intimidation and/or bullying complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. (5 CCR 4621)

The County Board prohibits retaliation in any form for participation in complaint procedures, including but not limited to the filing of a complaint or the reporting of instances of discrimination, harassment, intimidation and/or bullying. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)  
(cf. 5125 - Student Records)  
(cf. 9011 - Disclosure of Confidential/Privileged Information)

The County Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate mediation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations.

The complainant shall comply with the appeal requirements of 5 CCR 4632.

(5 CCR 4622)
The County Superintendent or designee shall make available copies of the SCCOE uniform complaint procedures free of charge. (5 CCR 4622)

The notice shall:

3. Advise the complainant of the appeal process pursuant to Education Code 262.3, including the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies

4. Include statements that:

   a. The SCCOE is primarily responsible for compliance with state and federal laws and regulations

   b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline

   c. An unlawful discrimination, harassment, intimidation, and bullying complaint must be filed not later than six months from the date the alleged discrimination occurs, or six months from the date the complainant first obtains knowledge of the facts of the alleged discrimination, harassment, intimidation, and bullying

   d. The complainant has a right to appeal SCCOE's decision to the CDE by filing a written appeal within 15 days of receiving the SCCOE decision

   e. The appeal to the CDE must include a copy of the complaint filed with SCCOE and a copy of SCCOE's decision

   f. If the SCCOE finds merit in a pupil fees complaint, the SCCOE shall provide a remedy to all affected pupils, parents, and guardians where applicable and includes reasonable efforts by the public school to ensure full reimbursement to all affected pupils, parents, and guardians, subject to procedures established through regulations adopted by the state board.

(cf. 5145.6 - Parental Notifications)
Procedures

The following procedures shall be used to address all complaints which allege that the SCCOE has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the SCCOE. (5 CCR 4630)

Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, SCCOE staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Step 2: Mediation

Within three days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination, harassment, intimidation, and bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the SCCOE's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)
Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint. (5 CCR 4631)

A complainant's refusal to provide SCCOE's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR 4631)

SCCOE's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the SCCOE investigation and decision, as described in Step #5 below, within 60 days of the SCCOE receipt of the complaint. (5 CCR 4631)

Step 5: Final Written Decision

SCCOE's decision shall be in writing and sent to the complainant. (5 CCR 4631)

SCCOE's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on the evidence gathered (5 CCR 4631)
2. The conclusion(s) of law (5 CCR 4631)
3. Disposition of the complaint (5 CCR 4631)
4. Rationale for such disposition (5 CCR 4631)

5. Corrective actions, if any are warranted (5 CCR 4631)

6. Notice of the complainant's right to appeal the decision within 15 days to the CDE and procedures to be followed for initiating such an appeal (5 CCR 4631)

7. For discrimination, harassment, intimidation, and bullying complaints, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies (Education Code 262.3)

If the SCCOE finds merit in a complaint, or the California Department of Education finds merit in an appeal, the SCCOE shall provide a remedy to all affected pupils, parents, and guardians that, where applicable, includes reasonable efforts to ensure that the SCCOE will attempt in good faith by engaging in reasonable efforts to identify and fully reimburse all pupils, parents, and guardians who paid a pupil fee within one year prior to the filing of the complaint. (5CCR 4600(u))

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of SCCOE's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the decision, the complainant may appeal in writing to the CDE within 15 days of receiving the decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of SCCOE's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant has appealed SCCOE's decision, the County Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint

2. A copy of the decision

3. A summary of the nature and extent of the investigation conducted by SCCOE, if not covered by the decision

4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties and gathered by the investigator

5. A report of any action taken to resolve the complaint
6. A copy of SCCOE’s complaint procedures

7. Other relevant information requested by the CDE

The CDE may directly intervene in the complaint without waiting for action by SCCOE when one of the conditions listed in 5 CCR 4650 exists, including cases in which SCCOE has not taken action within 60 days of the date the complaint was filed.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of SCCOE's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination, harassment, intimidation, and bullying complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if SCCOE has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.
